# Intercampus Student Council Update

# Investing in Our Communities

“I felt lost when I first started, but, since then I have unapologetically grown in my confidence.” –Maya Baughn

# Maintaining Tradition & Fostering Growth

“I’m also grateful to the students who organize this annual occasion for planning events that maintain the festive spirit of St. Pat’s while employing appropriate precautions to protect our campus community from the potential spread of COVID-19.” –Chancellor Mo Dehghani

# Keeping Students Connected

“Students can know that when they’re there, that those events are for them. They’re meant for them.” -Carolyn Faber

“I think working really helped me develop myself as a scientist and decide that this was a field that I could actually be good at.” -Stephanie Scott

# Taking Down Obstacles

“You’ve just got to believe that you can do it. I know that it’s hard, but there are people here to help you. We get a lot of support from UMSL faculty, and that’s important to me.” –Riley Liss
