

# **Flagship of the Future**

The University *for* Missouri

*A campus update from  
Chancellor Alexander N. Cartwright*

# Student success

- \$40 million partnership with KC Scholars, MU and the UM System will help support 800 students in the coming years
- Progress toward our strategic plan goals with the help of our SEM group:
  - Developing best practices in advising
  - Utilizing predictive analytics to allow us to intervene early
  - Establishing the Office of Student Employment this August

# Engaging key constituents

Continuous improvement in how we communicate with our most critical stakeholders: faculty, staff and students.

- Monthly meetings with faculty, staff and student leaders
- Regular dinners with student groups
- New, monthly 'Coffee and Cookies' event with different vice chancellors
- Our provost is critical to these efforts

# Telling our story

Success in enrollment, research and philanthropy are thanks to the work of the many people who focus on engaging with our many critical external stakeholder groups.

## #SHOWMEMIZZOU DAY

# Scholarship accolades

Mizzou's Nobel Laureate  
**Dr. George P. Smith**  
*Mark your calendars for  
March 12*

- Professors **Shi-Jie Chen**, **Scott Peck** and **Johannes Schul** will be recognized next week in D.C. as new fellows in the American Association of the Advancement of Science.
- Professor **Gary Stacey** and Dean and Vice Chancellor **Elizabeth Loba** will soon be inducted into the National Academy of Inventors.

# Thanks to our stakeholders

There is still work to do in many areas, but it's thanks to the hard work of our faculty, staff, students, alumni and supporters that we continue to see progress. Here are a few substantial year-over-year increases in some key areas:

**37%**

Increase in  
incoming  
freshmen  
accepted with  
deposits paid

**29%**

Increase in total  
research awards  
received

**15%**

Increase in  
total annual  
giving

# Hear from the experts

**Christie Terry**

**Jay Sexton**
