DIAGNOSIS & PERSONALIZED  
TREATMENTS**

# Construction update

- The overall building design is on schedule for October 2021 and has entered the “Design Development” phase
- With schematic design complete, the floor plan and the aesthetics of the building are set
- Now preparing for construction activities (such as mass excavation and foundations) in mid-May following the Board of Curators project approval
- Early construction documents issued for a separate project to relocate utilities out of the building future construction footprint
- Construction of this work is on schedule and nearing 50% complete

# State Support is Strong

**STATE BUDGET PASSED, INCLUDING AN APPROPRIATION OF**  
**\$10 MILLION**  
**FOR THE PRECISION HEALTH FACILITY**

*Next step:* Finalized budget sent to governor's desk for signing

# Federal Partnership Looks Promising

- VA participation in collaborative research funded by FY2019 bill signed into law in 2018
- FY2020 bill includes specific funding levels up to \$65M
  - \$12.3M one-time expenditure for construction
  - \$2.65M annually to support operations, up to 20 years
  - VA researchers and University faculty to be co-located
- U.S. House will consider the bill in June
- U.S. Senate will consider the bill later in the summer
- U.S. President would sign the bill in the fall

# \$100 million initial philanthropy goal

- \$9.15 million raised so far, with a recent \$5 million dollar individual donor commitment
- Expect \$13 million in proposals in next 6 months
- In discussions with principal gift level donors
- Fundraisers have engaged in 116 personal donor visits with individual and corporate prospects

An architectural rendering of a modern, multi-story building with a glass and metal facade, illuminated from within. The scene is set at dusk or dawn, with a warm, golden light. In the foreground, there is a paved plaza with several people walking, a person on a bicycle, and a car driving on a curved road. The text "GROUNDBREAKING CEREMONY PLANNED FOR JUNE 21" is overlaid in large, white, bold letters.

**GROUNDBREAKING  
CEREMONY PLANNED FOR  
JUNE 21**
