

Missouri S&T 2020 Campus Master Plan

September 2, 2021

Process

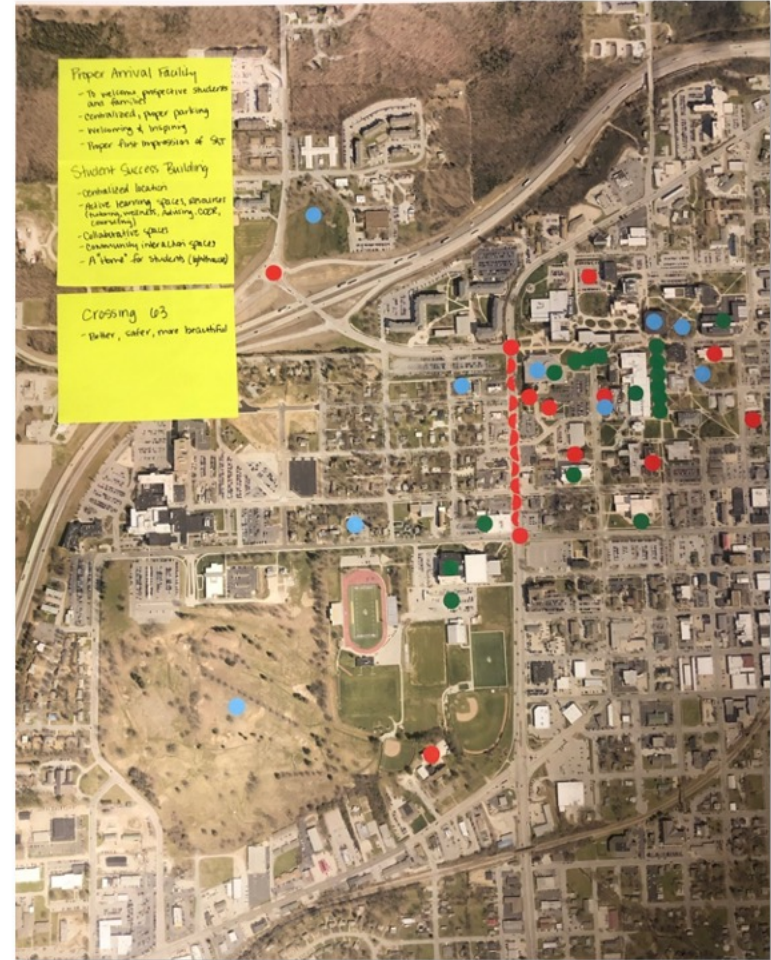

Strategic Priorities

1. Recruitment and Retention (12,000)
2. Research, Innovation and Entrepreneurial Thinking (Carnegie R1)
3. Ranking and Recognition (Top 100)

Campus Engagement

- **Steering Committee Meetings**
- **Advisory Committee Workshops**
- **Focus Groups**
- **Stakeholder Interviews**
- **Intercept Interviews**
- **Online Campus Life Survey**

Key Drivers

Program Drivers

- **Space Needs Assessment**
- **Campus Life Survey and Demand Analysis**
- **Space Utilization Analysis**

Physical Drivers

- **Facility Condition**
- **Access, Connectivity and Wayfinding**
- **Infrastructure**
- **Site/Topography and Land Use**

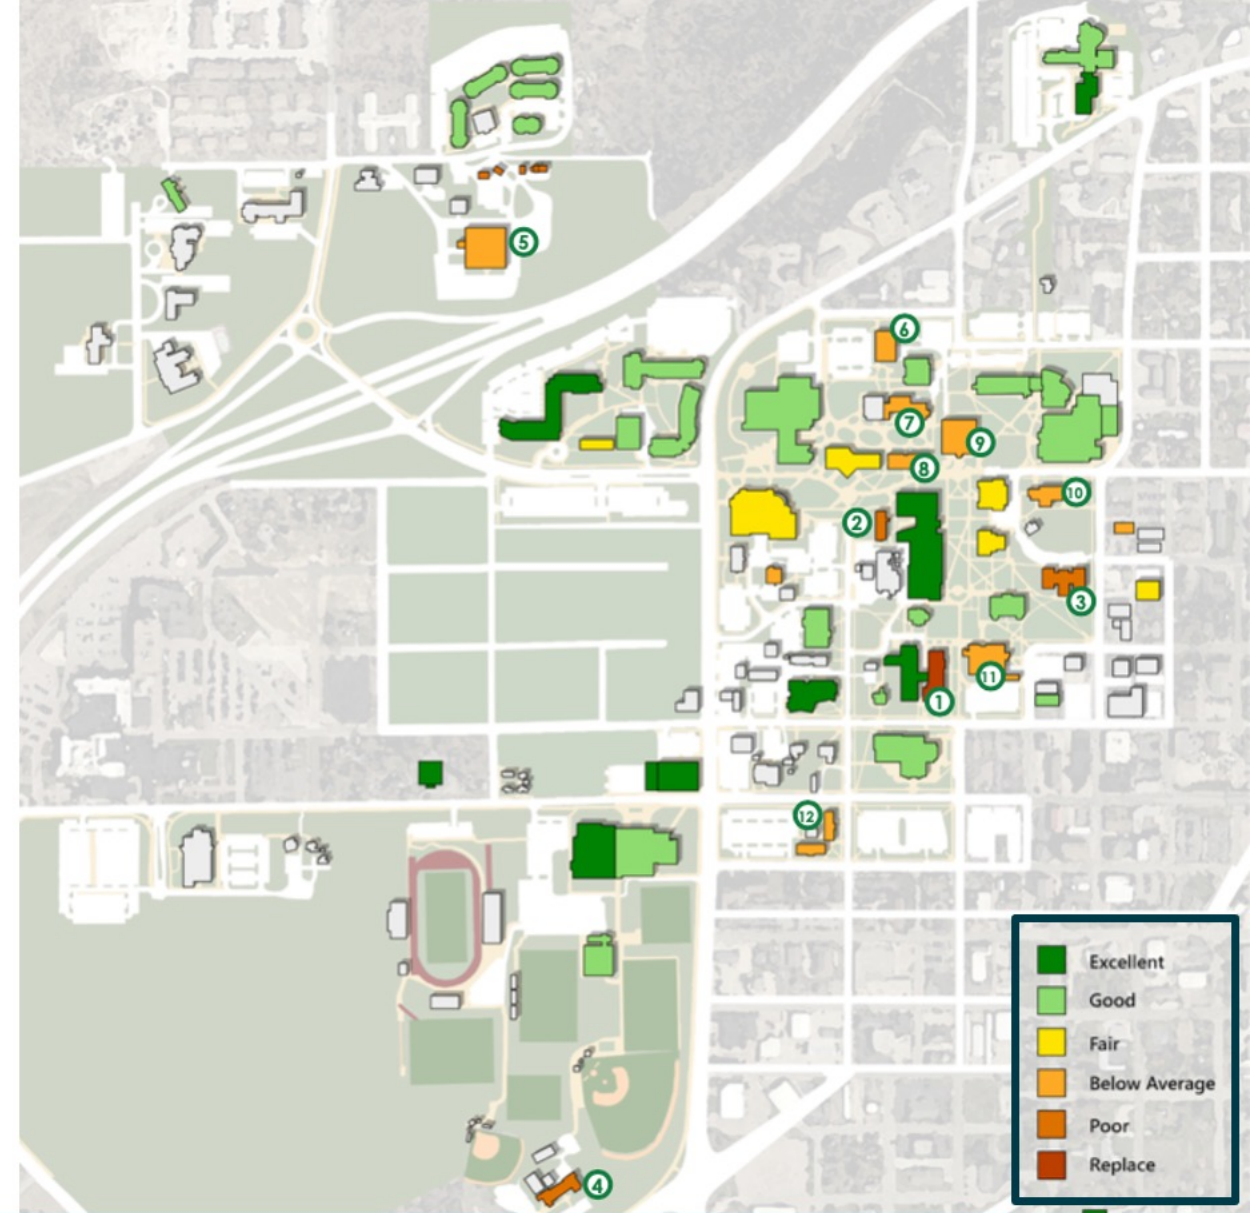

Facility Condition

Replacement Recommended
(FCNI > 0.60):

1. Schrenk Hall East (Schrenk Hall Phase III)

Poor Condition, Total Renovation
Indicated (FCNI 0.60 – 0.51):

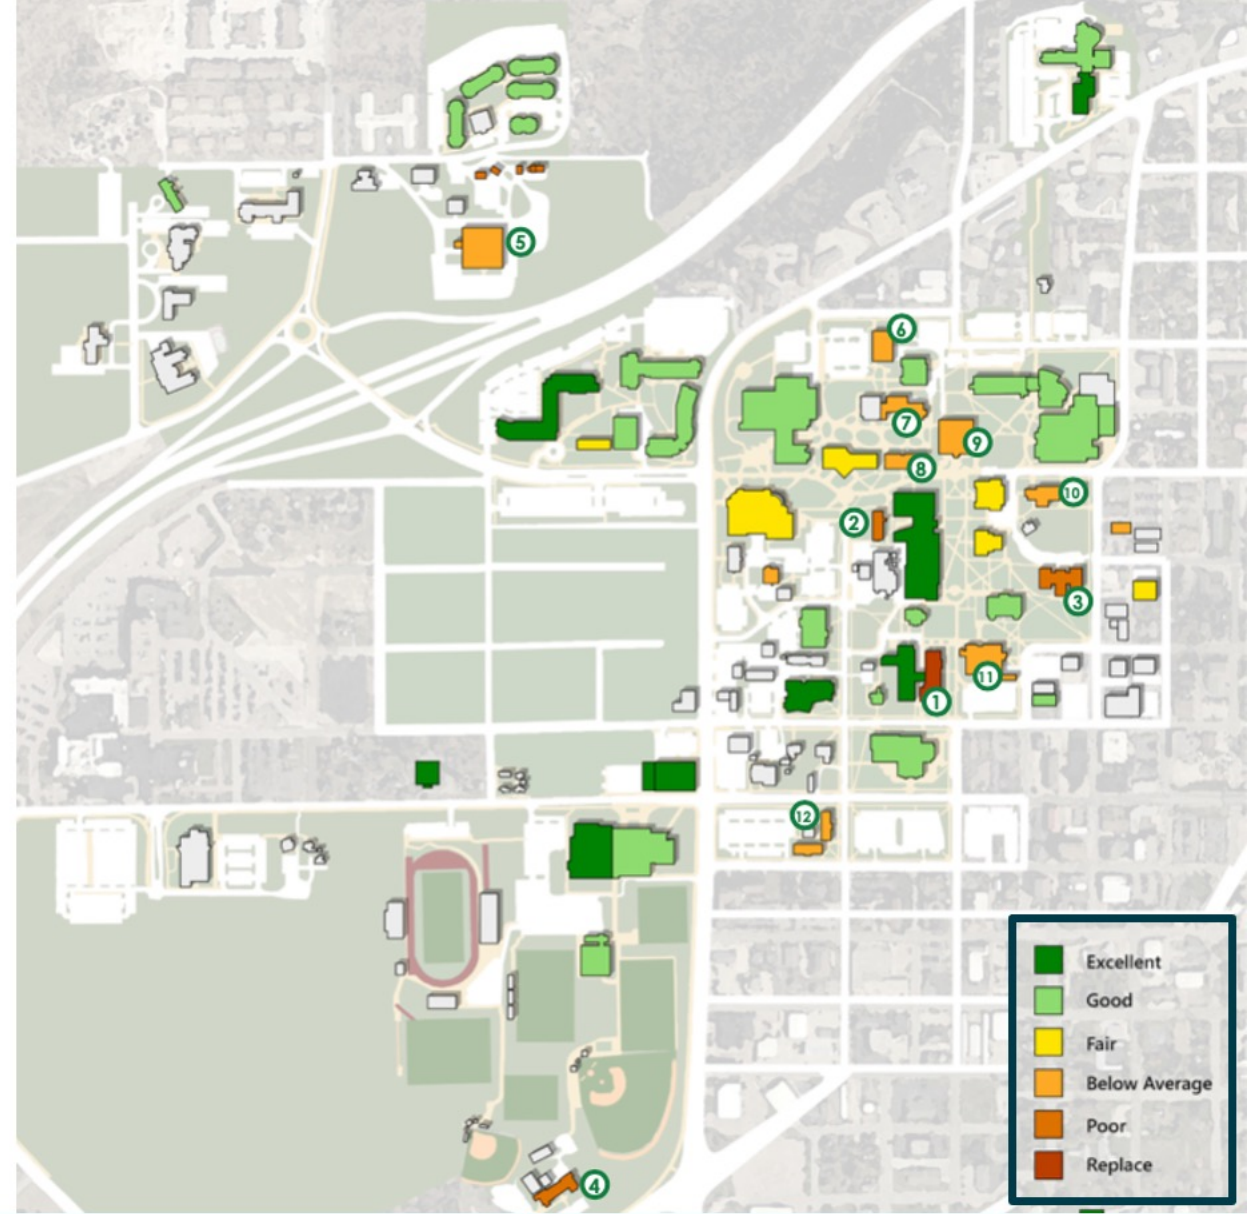

2. Harris Hall
3. Interdisciplinary Engineering Building
4. Rock Mechanics Building

Facility Condition (cont.)

Below Average, Major Renovation Required (FCNI 0.50 – 0.31):

- 5. General Services Building
- 6. Engineering Research Lab
- 7. Computer Science Building
- 8. Humanities and Social Sciences Building
- 9. Curtis Laws Wilson Library
- 10. Physics Building
- 11. Centennial Hall
- 12. Altman Hall

Planning Principles

1. Improve Campus Experience for All
2. Improve Existing Space
3. Improve Campus Connectivity and Safety
4. Create Space for Strategic Growth and Partnerships

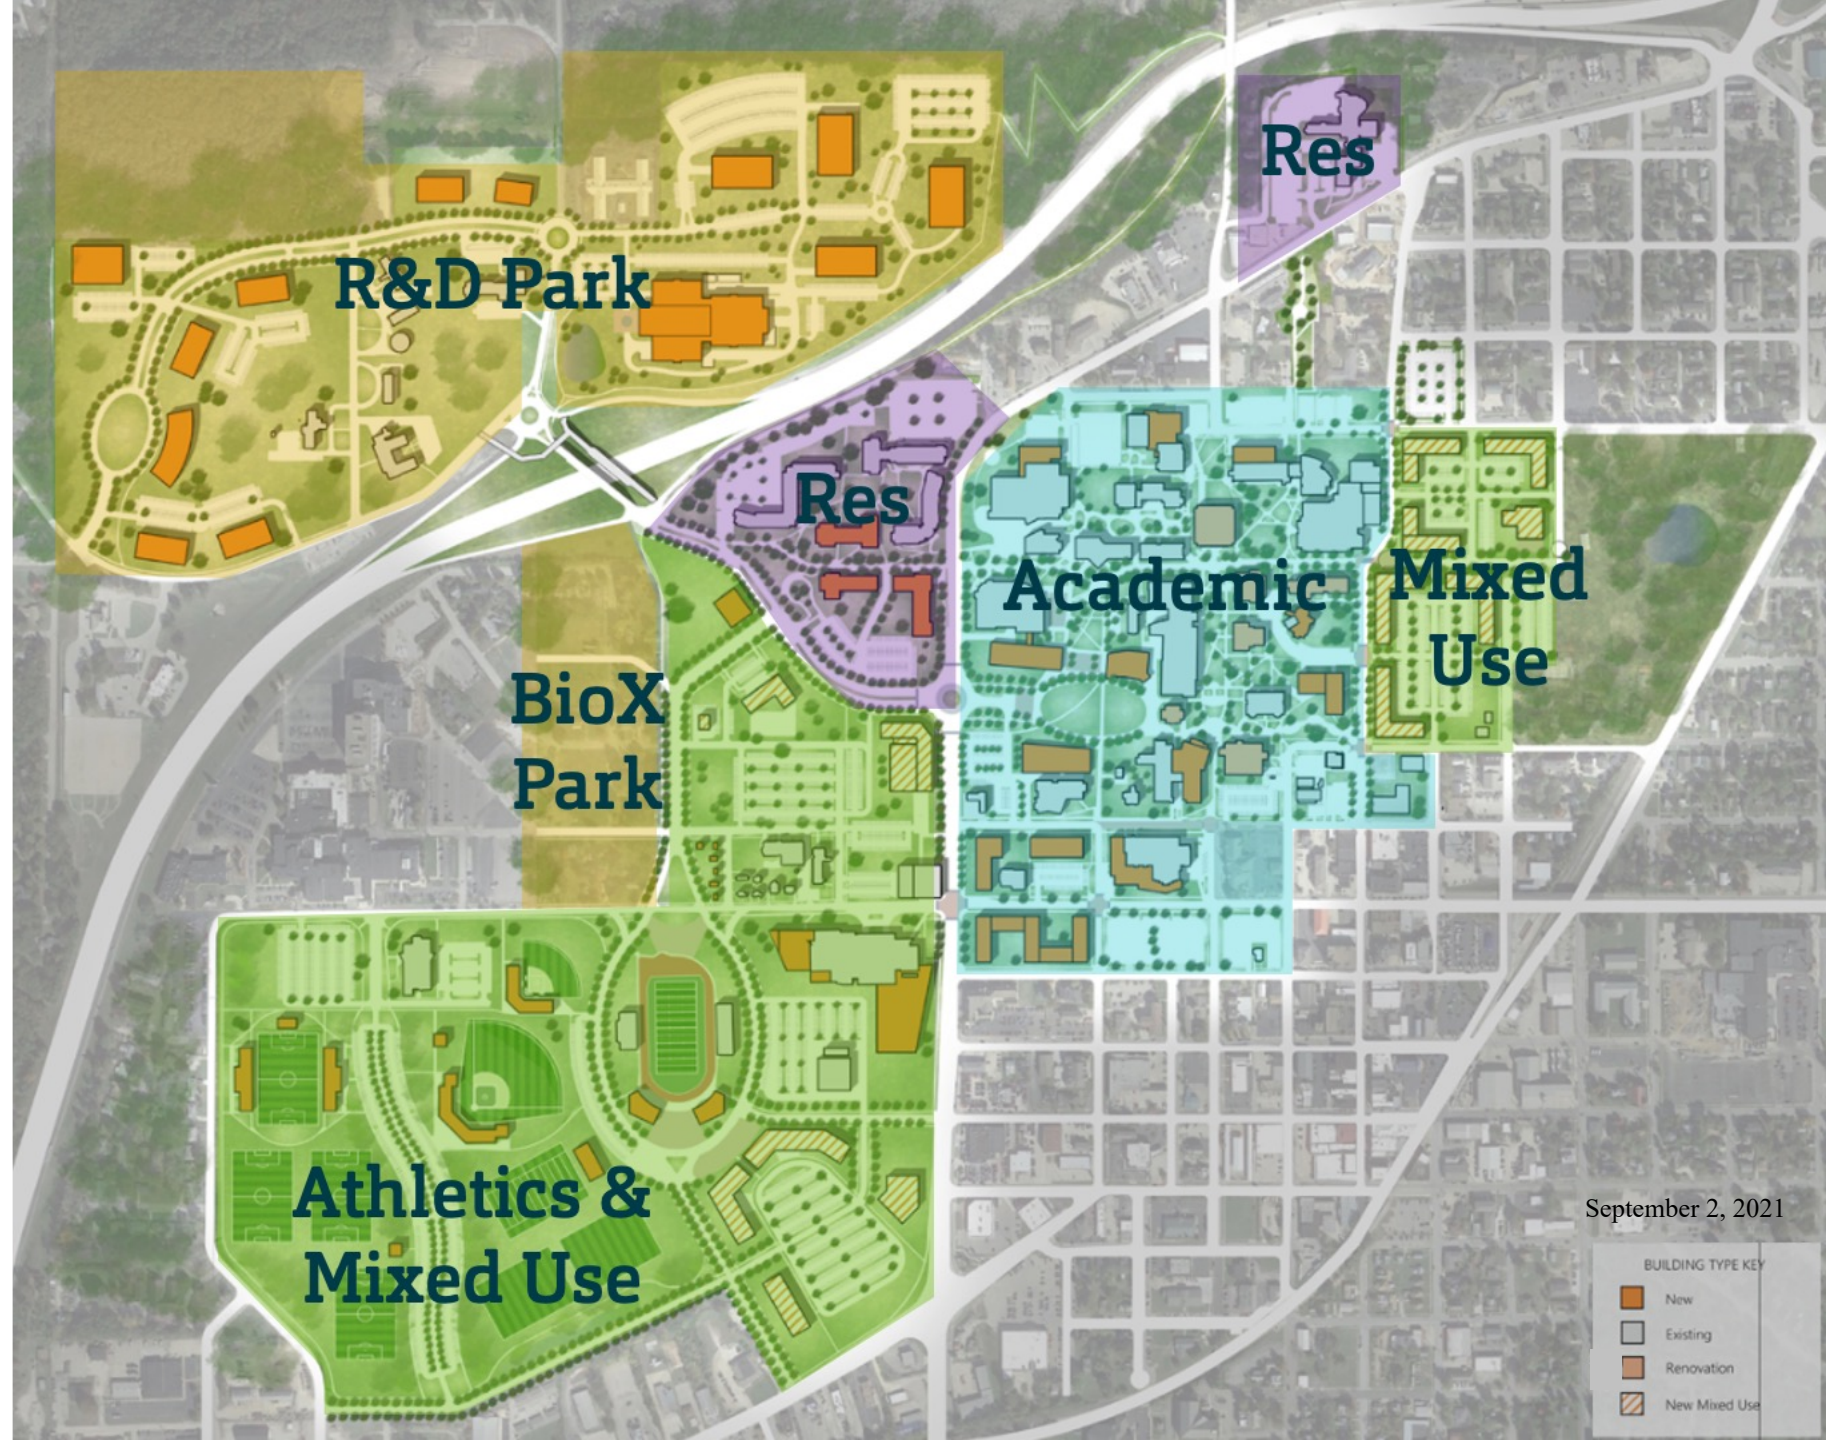

Campus Framework

2020 Campus Master Plan

Major Themes:

- Arrival
- Connections
- Partnerships

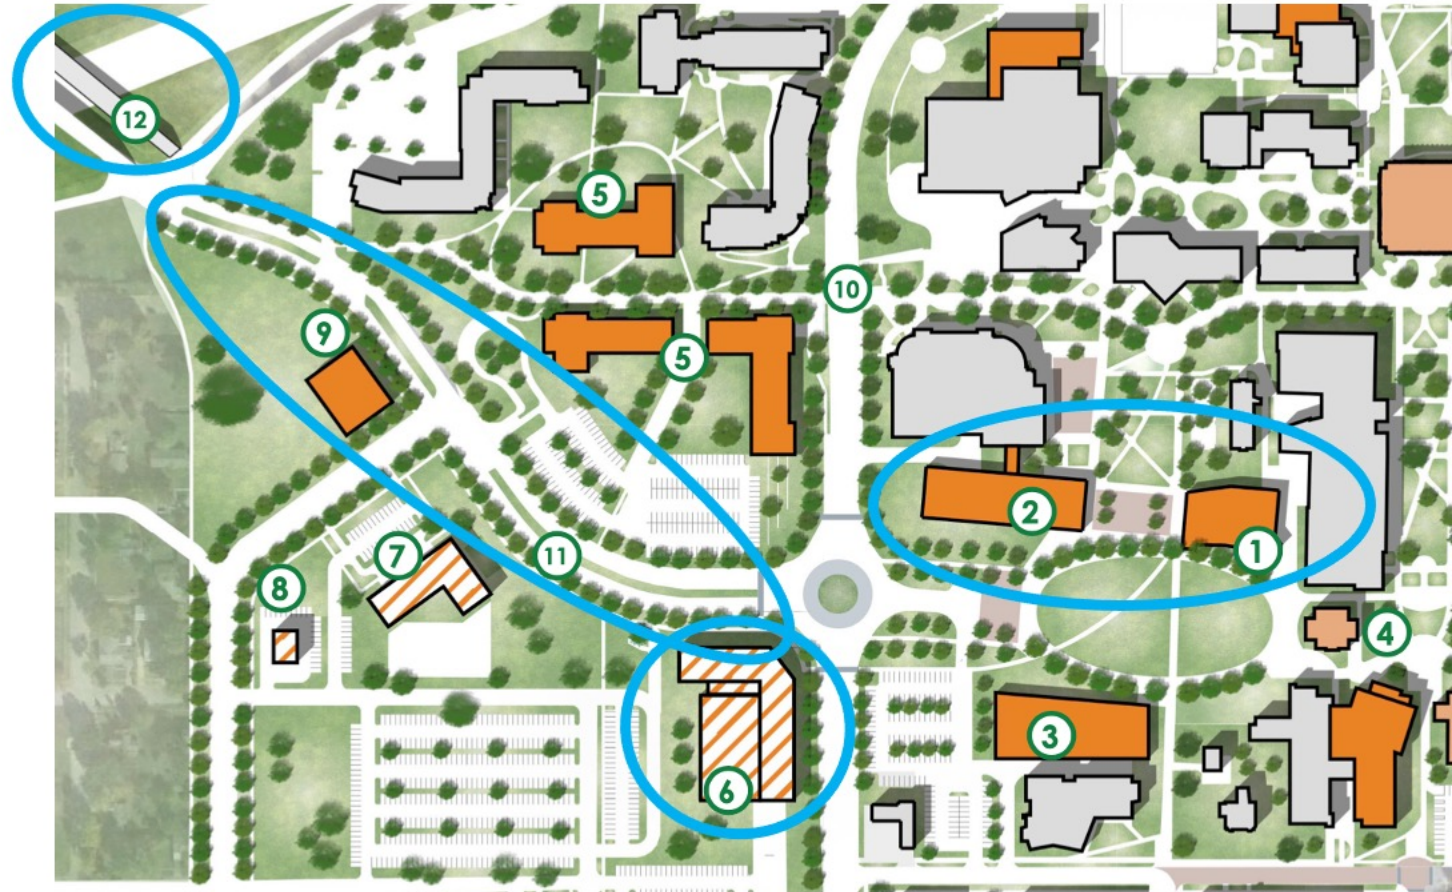

September 2, 2021

Arrival District

Master Plan Building Projects:

1. **Welcome Center**
2. **Innovation Lab (formerly Student Experience Center)**
3. Future Building (Bio X)
4. Rolla Hall Renovation
5. Future Housing and Student Life Facilities
6. **Hotel and Conference Center & Parking**
7. Childcare Center
8. Small Retail
9. Future Building
10. 63 Pedestrian Underpass
11. **University Drive Realignment**
12. **New Pedestrian Bridge and Landscaping**

Academic

Master Plan Building Projects

1. Welcome Center
2. Innovation Lab (formerly Student Experience Center)
3. Future Building
4. Subsurface Parking Structure
5. Rolla Hall Renovation
6. Curtis Laws Wilson Library Renovation
7. Fulton Hall and Physics Renovation
8. Parker Hall Renovation
9. Physics Renovation
10. Nuclear Engineering Building Addition
11. Centennial Hall Renovation
12. IDE Replacement Building
13. Schrenk Hall Phase III
14. Castleman Hall Addition
15. Future Academic Building(s)
16. Future Student Housing
18. McNutt Hall Addition
19. Engineering Research Lab Renovation and Addition
20. Emerson Hall Addition

Planned Demolition Projects

- Bureau of Mines Building 1
- Bureau of Mines Building 2
- Bureau of Mines Building 3
- Power Plant
- Campus Support Facility

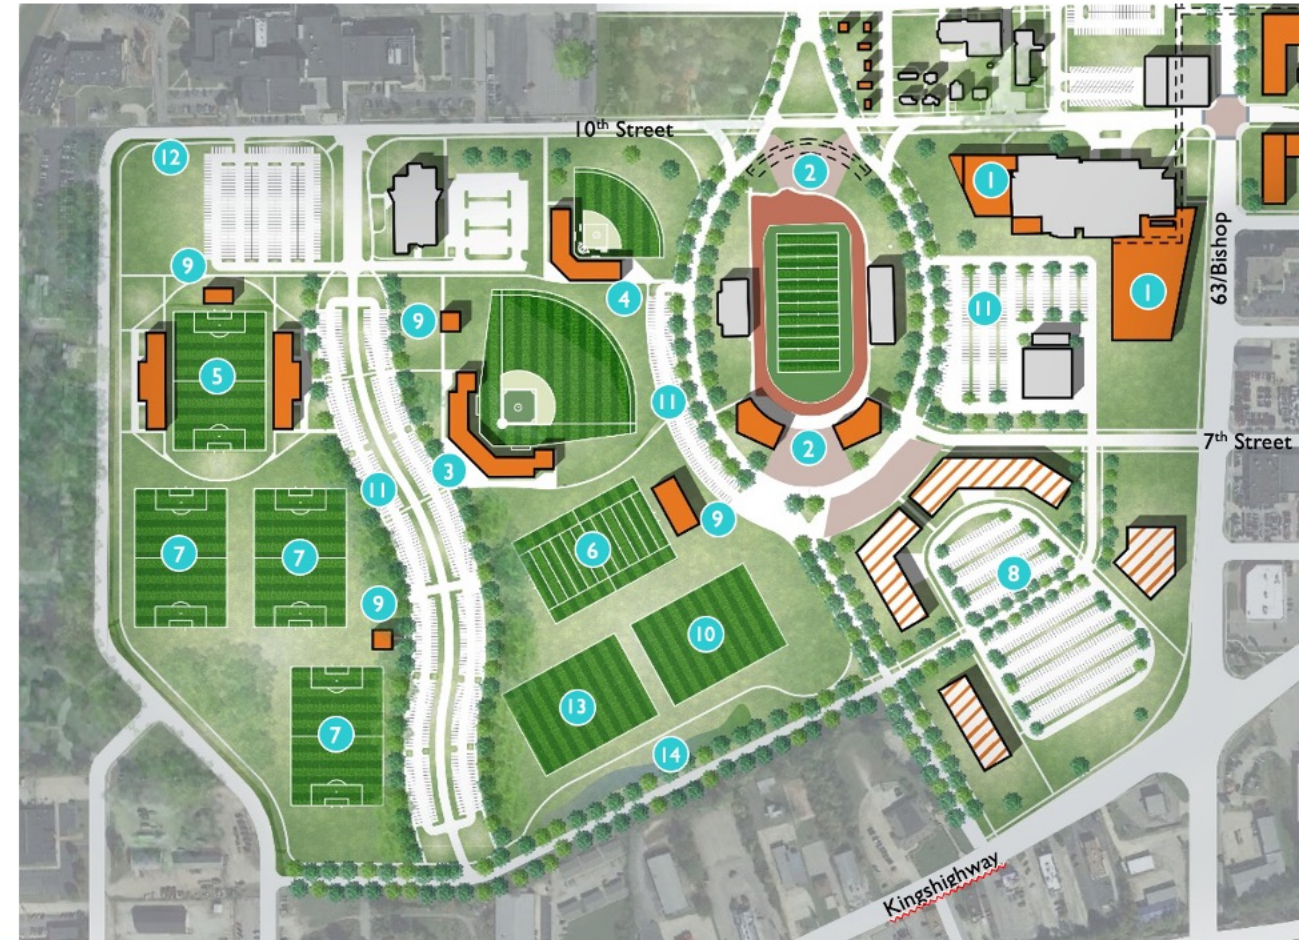

Athletics and Recreation District

Master Plan Projects

1. Eight Lane Stretch Pool, (2) Multi Athletic Courts and Rec Cross Training
2. Football Lockers and North Gateway and Plaza new press box, restrooms & elevator, South Plaza
3. New Baseball Stadium
4. New Softball Stadium
5. New Soccer Stadium (Grass)
6. New Field Events Field/Multipurpose (Grass)
7. Intramural & Club Fields (both Turf)
8. Mixed-Use Development
9. Support Facility
10. Heavy Throws Field (Grass)
11. Surface Parking
12. One Mile Walk-Run Path
13. Intramural & Band Practice (Turf)
14. Stormwater Management Zone

Enabling Projects

- Relocate Solar Homes
- Rock Mechanics Building Replacement
- Demo Rock Mechanics/Explosives Building
- Student Health Center Replacement

Research and Development Park

Master Plan Projects

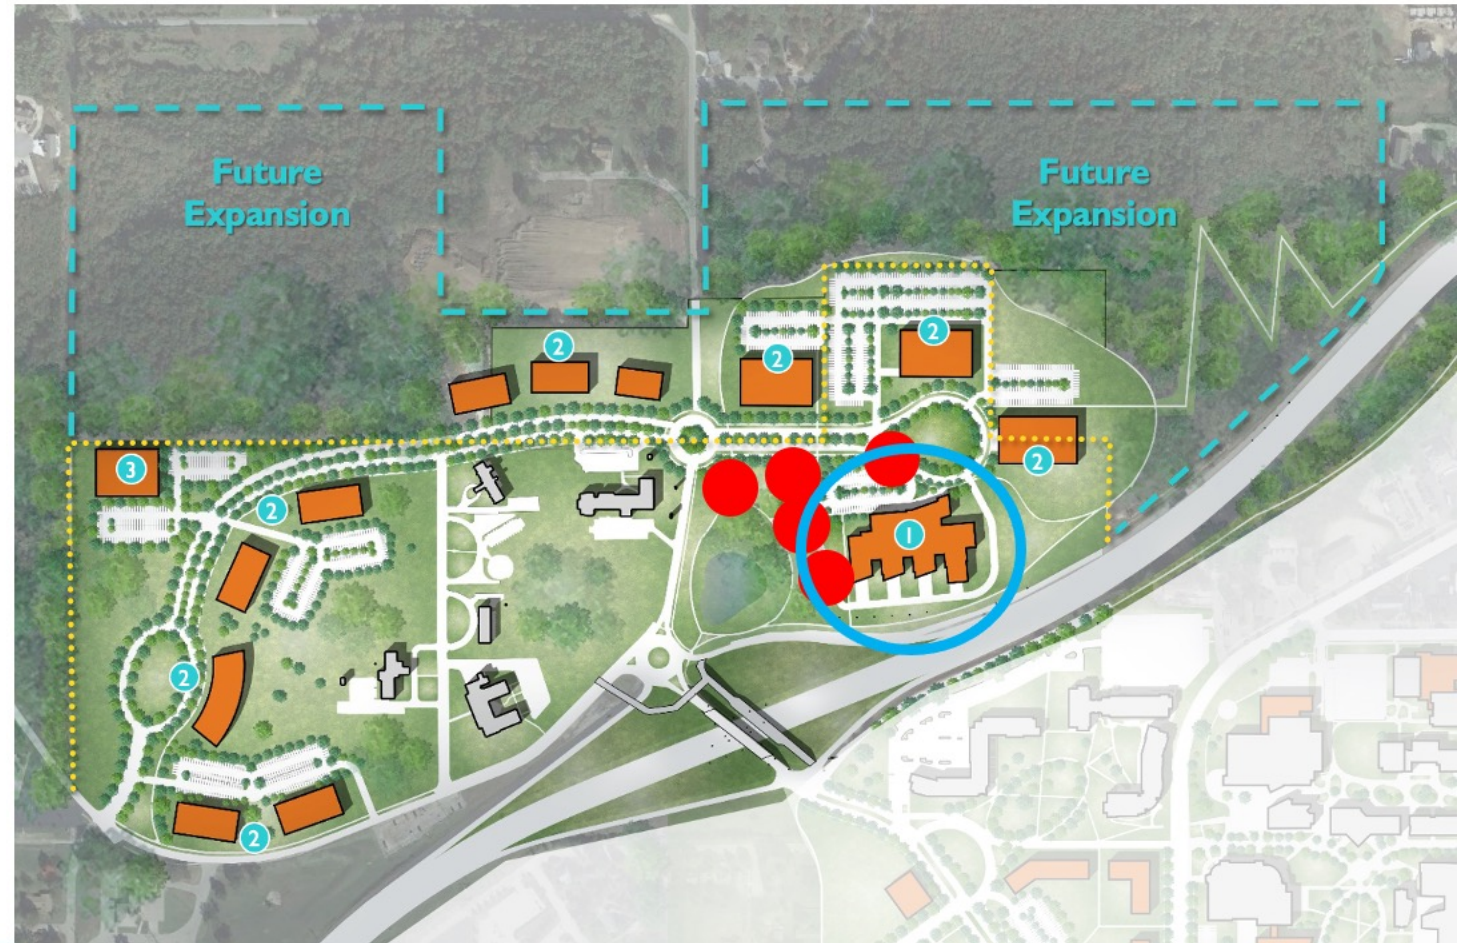

1. **Protoplex (formerly Systems Integration and Prototype Development Facility)**
2. R&D Park Future Facilities
3. New General Services Building

Enabling Projects

- **General Services Replacement**
- **Dangerous Materials Storage Facility Replacement**
- **Demolition of Three Smaller Support Facilities**
- **Infrastructure Upgrades**

Resulting Projects

- **Miner Village Replacement Housing**

Missouri S&T 2020 Campus Master Plan
