

PeopleSoft Financials is changing soon.
Register for training. Learn what the upgrade means for you.

On Monday, December 3, the University of Missouri System will launch a new, upgraded version of PeopleSoft Financials. After the update, what you can see and do will be different when you log in. You will access a new, more intuitive landing page and be able to work using a smartphone, tablet or other mobile device.

Register for an upcoming training session to understand how this upgrade will affect you.

- **In-person training:** Runs November 1 – November 29. Visit the [PeopleSoft Financials Upgrade](#) webpage to learn more and register for one of the sessions near you.
- **Online resources:** Updated training, demo and tutorial materials will be posted before the upgrade goes live in December, and will be accessible from the [PeopleSoft Financials training webpage](#).

PeopleSoft Financials will still be your primary system for processing requisitions, travel and expenses and other finance-related transactions, but with a refreshed look-and-feel.

Training sessions cover a range of topics; join us to learn about the new PeopleSoft Financials. For questions, contact the [Finance Support Center](#) at (877) 752-3334, or financesupport@umsystem.edu.
