UNIVERSITY OF MISSOURI

Long Term Disability SPD

Effective January 1, 2021
This SPD is designed to provide an overview of the University of Missouri System’s Long Term Disability Plan. While the University hopes to offer participation in this plan indefinitely, it has the right to amend or terminate any benefit plan.

In addition to this SPD, the University plans to continue to use other methods of communication such as memos, meetings, newsletter articles or electronic media to help you stay informed. Also available is the benefits department website at the URL address listed below.

It’s important for you to have a good understanding of all this plan has to offer. Please review this SPD carefully. If you have questions, contact your HR Generalist (umurl.us/CBR) or HR Service Center (umurl.us/HRSC).

Your Long-Term Disability Plan is designed to protect your financial security in the event you experience a long-lasting illness or injury.

You have a choice between two levels of LTD protection — Option A (Core Plan) or Option B (Buy-up Plan) coverage. The benefits available under each option are described in this SPD.

The Long-Term Disability Plan is insured by Unum. This summary is designed to give you an overview of the major points of the plan. The plan is governed by a certificate of coverage (located at the end of the SPD). In the event of a conflict between this summary and the certificate, the certificate will control. Key terms are defined in the certificate of coverage under “Glossary” at the end of the SPD.

Am I eligible for coverage?
If you are an active employee or subsidiary employee (CRR 320.050) of the University, you are eligible for coverage, provided you also meet the following conditions:

- You are classified 75% FTE or more.
- You have an appointment duration of at least nine months.
- You are regularly scheduled to work an average of 30 hours a week.

For the purpose of this section any individual who is simultaneously employed by the University and the Harry S. Truman Veterans Administration Hospital pursuant to an agreement between said organizations, and whose joint appointments, combined, otherwise meet the requirements of this section, shall be considered an Employee.

Per diem and variable hour employees are excluded as an Employee under this Plan.

When does coverage begin?

New Hire Enrollment:

- Coverage that does not require evidence of insurability begins on the date of hire or the benefit eligibility date.
- You will automatically be enrolled in Option A (paid by University) unless you elect Option B or opt out of coverage by filling out the appropriate waiver form available through the HR Service Center.
- You may elect Option B at initial enrollment without providing evidence of insurability provided you enroll within 31 days.
- If you change from part-time to full-time or from temporary to permanent status and become benefit eligible, you must enroll within 31 days of the date of your change in status.
- If you are not actively at work on the date your coverage would normally begin, the coverage will not be effective until you return to full-time active employment.

Annual Enrollment

- Evidence of insurability is required for any increase in coverage or new enrollment for Option A or Option B (if you previously waived).
- Coverage elected or changed during the Annual Enrollment Change Period begins on January 1 of the following year, or upon approval by Unum if after January 1.
- If you are not actively at work on the date your coverage would normally begin, the coverage will not be effective until you return to full-time active employment.

Mid-Year Qualifying Event

- Evidence of insurability is required for any level increase or new enrollment.
- Coverage is effective the first of the month coincident with or next following the date evidence of insurability is approved by Unum.

Who pays for this coverage?

- If you choose Option A, the University will pay the full cost of coverage.
• If you choose Option B, the plan giving a higher level of coverage, the University will contribute an amount equal to that contributed for employees enrolled in Option A. You pay only the difference in cost between Option B and Option A. Your contribution will be made on a before-tax basis, which lowers the current income taxes you pay, unless you choose to contribute on after-tax basis. For more details about how the before-tax feature works for you, refer to your Flexible Benefits Plan SPD.

• No premium contributions are required of you during any period for which disability benefits are payable under this plan.

How much coverage do I have?
The amount of your coverage depends on your basic monthly earnings and which coverage option you choose.

Basic monthly earnings means one-twelfth of your annual base salary, not to exceed $150,000 per year. It does not include any additional compensation for special services, overtime, shift differential, summer terms, intercessions, or any other extra compensation.

After you have been disabled for 149 calendar days, you will be eligible to receive a monthly benefit depending on the level of coverage you have chosen. The following chart highlights the benefit features of each plan:

<table>
<thead>
<tr>
<th>Benefit amount</th>
<th>Option A</th>
<th>Option B</th>
</tr>
</thead>
<tbody>
<tr>
<td>Minimum monthly benefit</td>
<td>60% of basic monthly earnings greater of 15% or $100</td>
<td>66-2/3% of basic monthly earnings greater of 15% or $100</td>
</tr>
<tr>
<td>Maximum monthly benefit</td>
<td>$7,500</td>
<td>$8,333</td>
</tr>
</tbody>
</table>

No matter which option you choose, your monthly benefit will be integrated with income you may receive from certain other sources. For a list of these sources, see the answer to the question What other income affects my monthly LTD benefit that appears later in this SPD, or the certificate of coverage located at the back of this SPD for a full listing of deductible sources of income. The total amount of income you can receive from the plan combined with all other sources depends on the plan option you chose when you enrolled. As explained later, Option A ensures you will receive up to 60% of your salary. Option B allows you to receive up to 85% of your salary when combined with other deductible sources of income.

What happens if my salary changes?
The amount of your coverage (and your premium cost, if you are covered under Option B) will change when your salary changes. However, if you are not actively at work due to your illness or injury on the date an increase would otherwise take place, the increase will be postponed until you return to full-time active employment.

May I change my choice of coverage?
You may cancel Option A coverage at any time during the year.

You may increase your coverage from Option A to Option B during the annual enrollment period by submitting evidence of good health. If you previously waived Option A and wish to now enroll in Option A or Option B, you will need to contact the HR Service Center during annual enrollment to obtain a paper enrollment form and submit evidence of good health during the annual enrollment period. Coverage goes into effect the first day of the month immediately following the approval date or January 1 of the following year, whichever is later.

You may decrease coverage from Option B to Option A only during the annual enrollment period if the coverage is paid with before-tax contributions.

You may elect to enroll or change the amount of coverage for which you’ve enrolled, during the plan year, if you experience a “change in family status”, and the change that you are requesting is consistent with the event. The following events are changes in family status that impact your ability to make changes in coverage purchased with before-tax contributions:
  • Marriage or divorce.
• Birth or adoption of a child.
• Death of your spouse or your dependent.
• A change in your or your spouse's employment from full-time to part-time or vice versa.
• The termination of, or commencement of, you or your spouse's employment.
• You or your spouse taking an unpaid leave of absence.
• A significant change in your health coverage as a result of your spouse's employment.

When do I begin receiving benefits?
This plan has an elimination period of 149 days. Benefits begin the day after the elimination period is completed, provided Unum determines you meet the definition of disability below (see the section What is the definition of disability?).

What is the definition of disability?
You will be considered disabled during the elimination period and the first 24 months of benefits when Unum determines that:

• you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury; and
• you have a 20% or more loss in your indexed monthly earnings due to the same sickness or injury.

After 24 months of payments, you will continue to qualify as disabled when Unum determines that due to the same sickness or injury, you are unable to perform the material and substantial duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician unless regular care:

• will not improve your disabling condition(s); or
• will not prevent a worsening of your disabling condition(s).

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

Unum may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. Unum can require an examination as often as it is reasonable to do so. Unum may also require you to be interviewed by an authorized Unum Representative.

What other income affects my monthly LTD benefit?
Your monthly LTD benefit will be reduced if you are eligible for certain other income benefits including the following (please refer to the certificate of coverage located at the back of this SPD for a complete listing of deductible sources of income):

• Workers' Compensation or similar laws
• Civil service retirement benefits, or any benefits provided under state or federal disability plans
• Benefits from the University of Missouri System Retirement, Disability, and Death Benefit Plan
• Primary and family Social Security benefits
• Compensation paid by the University (including accumulated sick leave, vacation, etc.)

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

In any event, your monthly LTD benefit will not be reduced below the greater of 15% or $100. Please refer to the section titled What if I accept rehabilitative employment.

How is my benefit determined?
The amount of your monthly LTD benefit depends on the plan option you chose when you enrolled.
Option A (Core Plan)
To determine the amount of your monthly benefit under Option A:
1. Take the lesser of 60% of your basic monthly earnings or $7,500. This is your gross disability payment.
2. Subtract any deductible sources of income from your gross disability payment.
3. The amount figured in Item 2 above is your monthly disability payment.

Option B (Buy-up Plan)
To determine the amount of your monthly benefit under Option B:
1. Take the lesser of 66-2/3% of your basic monthly earnings or $8,333. This is your gross disability payment.
2. Multiply your monthly earnings by 85% and subtract any deductible sources of income.
3. Compare the answer from Item 1 and Item 2 above. The lesser amount figured is your monthly disability payment.

Example
An employee becomes totally disabled due to an injury. The employee’s basic monthly earnings are $2,500 per month. If the employee receives a $900 disability benefit from Social Security, the LTD benefit, according to each option would be as follows:

<table>
<thead>
<tr>
<th></th>
<th>Option A</th>
<th>Option B</th>
</tr>
</thead>
<tbody>
<tr>
<td>Gross disability payment</td>
<td>$1,500</td>
<td>$1,666.75</td>
</tr>
<tr>
<td>(60% of $2,500)</td>
<td></td>
<td></td>
</tr>
<tr>
<td>Basic monthly earnings x 85%</td>
<td>N/A</td>
<td>$2,125</td>
</tr>
<tr>
<td>Subtract Social Security benefit</td>
<td>$900</td>
<td>$900</td>
</tr>
<tr>
<td>Benefit paid by LTD Plan</td>
<td>$600</td>
<td>$1,225</td>
</tr>
</tbody>
</table>

How long will my LTD benefit payments last?
As long as you remain totally disabled, your monthly disability income benefit will continue for the following duration subject to the Limitations shown below:

<table>
<thead>
<tr>
<th>Age at disability</th>
<th>Maximum benefit period</th>
</tr>
</thead>
<tbody>
<tr>
<td>Less than age 60</td>
<td>To age 65, but not less than 5 years</td>

</tr>
<tr>
<td>68</td>
<td>15 months</td>
</tr>
<tr>
<td>69 and older</td>
<td>12 months</td>
</tr>
</tbody>
</table>

When Will My Payments Stop?
Unum will stop sending you payments and your claim will end on the earliest of the following:
- during the first 24 months of payments, when you are able to work in your regular occupation on a part-time basis but you do not;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis but you do not;
• if you are working and your monthly disability earnings exceed 80% of your indexed monthly earnings, the date your earnings exceed 80%;
• the end of the maximum period of payment;
• the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum's Rehabilitation and Return to Work Assistance program;
• the date you fail to submit proof of continuing disability;
• after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
• the date you die.

What disabilities have a limited pay period?
A maximum lifetime benefit period of 24 months will apply for disabilities based on a Mental or Nervous Disorder or Disease and disabilities based primarily on self-reported symptoms.

Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities:

• are not continuous; and/or
• are not related.

Unum will not apply the mental illness limitation to dementia if it is a result of:

• stroke;
• trauma;
• viral infection;
• Alzheimer's disease; or
• other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

Examples of self-reported symptoms include, but are not limited to headaches, pain, fatigue, stiffness, soreness, ringing in ears, dizziness, numbness and loss of energy.

What if I try to return to work and then become disabled again?

If You Return To Active Work Before Completing Your Elimination Period

If you return to active work before completing your elimination period for a period of 40 days or less, and then become disabled again due to the same or related sickness or accidental injury, you will not be required to complete a new elimination period. The days that you are not disabled will not count toward the completion of your elimination period.

If you return to active work for a period of more than 40 days, and then become disabled again, you will have to complete a new elimination period.

If You Return To Active Work After Completing your Elimination Period

If you return to active work after completing your elimination period for a period of 180 days or less, and then become disabled again due to the same or related sickness or accidental injury, you will not be required to complete a new elimination period. For purposes of determining your benefits, such disability will be considered to be a part of the original disability, using the same pre-disability earnings and applying the same terms, provisions and conditions that were used for the original disability.

If you return to active work for a period of more than 180 days, and then become disabled again, you will have to complete a new elimination period.
What if I would like to work while disabled?
If you are disabled and unable to work at your regular occupation, but would like to work at another job, you may be able to continue to receive LTD benefits under this plan.

For more information, please refer to the section titled “How Much Will Unum Pay You if You Are Disabled And Working?” in the certificate of coverage located at the end of the SPD or contact Unum by calling 866-643-9474.

Are pre-existing conditions covered?
Disability related to a pre-existing condition is not eligible for benefits unless the disability occurs after you have been participating in the plan for 12 months.

You have a pre-existing condition if:
- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 12 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

In addition, this plan will not cover an increase in your coverage made at an annual enrollment period if you have a pre-existing condition. An increase in coverage includes, if applicable to the plan, applying for additional benefits.

Are any other disabilities excluded?
You will not receive benefits for any disabilities caused by, contributed to by, or resulting from your:
- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted.
- pre-existing condition (as defined in “Are pre-existing conditions covered?”).

This plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.

Other Benefit Features

REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFIT:
Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. Unum will determine whether you are eligible for this program. If you are eligible to participate in this program you may be eligible for additional benefits:
- 10% of your gross disability payment to a maximum benefit of $1,000 per month.

In addition, Unum will make monthly payments to you for 3 months following the date your disability ends if Unum determines you are no longer disabled while:
- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

DEPENDENT CARE EXPENSE BENEFIT:
While you are participating in Unum's Rehabilitation and Return to Work Assistance program, you may receive payments to cover certain dependent care expenses limited to the following amounts:
- Dependent Care Expense Benefit Amount: $350 per month, per dependent
- Dependent Care Expense Maximum Benefit Amount: $1,000 per month for all eligible dependent care expenses combined

**TOTAL BENEFIT CAP:**

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum’s Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

**SURVIVOR BENEFIT:**

Unum may pay a survivor benefit to your eligible survivor, or your estate, equal to 3 months of your gross disability payment if you die, or are terminally ill.

*For more information regarding these other benefit features, please refer to the certificate of coverage located at the back of this SPD, or contact Unum directly at (866) 643-9474.*

**When does coverage end?**

Your coverage will end on the earliest of the following dates:
- The day immediately following the day your employment terminates.
- The date you are no longer eligible for coverage.
- The date you fail to make the required payment.
- The date the plan is discontinued.

During an authorized leave of absence without pay, you may continue your coverage by paying the required monthly contributions in advance or through monthly billing.

**How do I file a claim?**

If you become disabled and expect to remain so for at least 150 days, you should notify Unum by calling 866-643-9474. You will be required to sign an authorization form in order for Unum to obtain medical information from your attending physician. Should Unum be unable to obtain your medical information, you will be sent a letter and appropriate forms for completion to be returned to Unum by the date determined in the letter.

You are encouraged to contact Unum to file your claim 90 days of when you first become unable to work. You must send Unum written proof of your claim no later than 90 days after your elimination period. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

You must provide proof of continued disability at such intervals as Unum may reasonably require. In addition, Unum may require that you be examined by an independent physician or vocational expert of its choice to determine the extent of any sickness or injury for which you have made a claim.

**What if my claim is denied?**

If it has been determined that you are not disabled as defined by this plan, or you are no longer disabled if you have been receiving benefits under this plan, you will have 180 days from the date of notification to file an appeal and furnish proof of your disability or continued disability. Requests for appeals should be sent to the address specified in the claim denial. If you furnish proof of disability or continued disability, within 180 days, and your appeal is overturned, you will be eligible for benefits from the date benefits would otherwise begin for new claims, or from the date you are determined to be continuously disabled for terminated claims.

Your proof of claim, provided at your expense, must show:

- the appropriate documentation of your monthly earnings;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation; and
- the name and address of any hospital or institution where you received treatment, including all attending physicians.

You must be under the regular care of a physician unless regular care:

- will not improve your disabling condition(s); or
- will not prevent a worsening of your disabling condition(s).
We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

In some cases, you will be required to give Unum authorization to obtain additional medical information and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Unum will deny your claim, or stop sending you payments, if the appropriate information is not submitted.

**TO WHOM WILL UNUM MAKE PAYMENTS?**

Unum will make payments to you.

**WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?**

Unum has the right to recover any overpayments due to:

- fraud;
- any error Unum makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.
GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage to which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the later of:

- the plan effective date; or
- the day after you complete your waiting period.

WHEN DOES YOUR COVERAGE BEGIN?

This plan provides different benefit options. When you first become eligible for coverage, you may apply for any option, however, you cannot be covered under more than one option at a time.

Your Employer pays 100% of the cost of your coverage for Option A. If you don't apply for any other option you will automatically be covered under Option A at 12:01 a.m. on the date you are eligible for coverage.

You pay 100% of the cost of your coverage for Option B. You will be covered at 12:01 a.m. on the date you are eligible for coverage, as long as you apply for insurance within the first 31 days of eligibility.

You can decline coverage when you first become eligible which is Option C.

If you first become eligible for coverage after the plan effective date, you will be covered at 12:01 a.m. on the date you are eligible for coverage, as long as you apply for insurance within the first 31 days of eligibility.

Your Employer pays 100% of the cost of your coverage for Option A. If you don't apply for any other option you will automatically be covered under Option A at 12:01 a.m. on the date you are eligible for coverage.

You pay 100% of the cost of your coverage for Option B. You will be covered at 12:01 a.m. on the date you are eligible for coverage, as long as you apply for insurance within the first 31 days of eligibility.

You can decline coverage when you first become eligible which is Option C.

WHEN CAN YOU CHANGE YOUR COVERAGE BY CHOOSING ANOTHER OPTION?

You can change your coverage by applying for a different option only during an annual enrollment period or within 31 days of a change in status. You can
increase your coverage by one level or decrease your coverage any number of levels. Evidence of insurability is required for any increase.

Your Employer determines when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the first of the month coincident with or next following the date Unum approves your application, if evidence of insurability is required.

Changes in coverage that are made due to a change in status will begin at 12:01 a.m. on the latest of:

- the date of the change in status, if you apply on or before that date;
- the first of the month coincident with or next following the date you apply, if you apply within 31 days after the date of the change in status; or
- the first of the month coincident with or next following the date Unum approves your application, if evidence of insurability is required.

Changes in coverage must be consistent with the change in status.

**WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?**

If you are absent from work due to injury, sickness, temporary layoff or leave of absence, your coverage will begin on the date you return to active employment.

**ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?**

If you are on a temporary layoff, and if premium is paid, you will be covered for up to 1 year following the date your temporary layoff begins.

If you are on a leave of absence, and if premium is paid, you will be covered for up to 1 year following the date your leave of absence begins or as defined by your Employer.

**WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?**

Once your coverage begins, any increased or additional coverage due to a plan change requested by your Employer will take effect immediately if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

**WHEN DOES YOUR COVERAGE END?**

Your coverage under the policy or a plan ends on the earliest of:

- the date the policy or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment except as provided under the covered
  layoff or leave of absence provision.

Unum will provide coverage for a payable claim which occurs while you are covered
under the policy or plan.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You can start legal action regarding your claim 60 days after proof of claim has been
given and up to 3 years from the time proof of claim is required, unless otherwise
provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE
BE USED?

Unum considers any statements you or your Employer make in a signed application
for coverage a representation and not a warranty. If any of the statements you or
your Employer make are not complete and/or not true at the time they are made, we
can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

We will use only statements made in a signed application as a basis for doing this.
These statements cannot be used to reduce or deny coverage if your coverage has
been in force for at least 2 years.

However, if the Employer gives us information about you that is incorrect, we will:

- use the facts to determine if you have coverage under the plan according to the
  policy provisions and in what amounts; and
- make a fair adjustment of the premium.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance
costs as a result of the undermining effects of insurance fraud. Unum promises to
focus on all means necessary to support fraud detection, investigation, and
prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or
provide any information, including filing a claim, that contains any false, incomplete
or misleading information. These actions, as well as submission of materially false
information, will result in denial of your claim, and are subject to prosecution and
punishment to the full extent under state and/or federal law. Unum will pursue all
appropriate legal remedies in the event of insurance fraud.
DOES THE POLICY REPLACE OR AFFECT ANY WORKERS’ COMPENSATION OR STATE DISABILITY INSURANCE?

The policy does not replace or affect the requirements for coverage by any workers' compensation or state disability insurance.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM’S AGENT?

For purposes of the policy, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.
LONG TERM DISABILITY

BENEFIT INFORMATION

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- you are limited from performing the material and substantial duties of your regular occupation due to your sickness or injury; and
- you have a 20% or more loss in your indexed monthly earnings due to the same sickness or injury.

After 24 months of payments, you are disabled when Unum determines that due to the same sickness or injury, you are unable to perform the material and substantial duties of any gainful occupation for which you are reasonably fitted by education, training or experience.

You must be under the regular care of a physician unless regular care:

- will not improve your disabling condition(s); or
- will not prevent a worsening of your disabling condition(s).

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner and/or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO RECEIVE BENEFITS?

You must be continuously disabled through your elimination period. Unum will treat your disability as continuous if your disability stops for 40 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is 149 days.

You are not required to have a 20% or more loss in your indexed monthly earnings due to the same injury or sickness to be considered disabled during the elimination period.

CAN YOU SATISFY YOUR ELIMINATION PERIOD IF YOU ARE WORKING?

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.
WHEN WILL YOU BEGIN TO RECEIVE PAYMENTS?

You will begin to receive payments when we approve your claim, providing the elimination period has been met and you are disabled. We will send you a payment monthly for any period for which Unum is liable.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED?

We will follow this process to figure your payment:

OPTION A

1. Multiply your monthly earnings by 60%.
2. The maximum monthly benefit is $7,500.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser of these two amounts is your gross disability payment.
4. Subtract from your gross disability payment any deductible sources of income.

The amount figured in Item 4 is your monthly payment.

OPTION B

1. Multiply your monthly earnings by 66.6667%.
2. The maximum monthly benefit is $8,333.
3. Compare the answer from Item 1 with the maximum monthly benefit. The lesser amount is your gross disability payment.
4. Multiply your monthly earnings by 85% and subtract any deductible sources of income.
5. Compare the answer from Item 3 and Item 4.

The lesser amount figured in Item 5 is your monthly payment.

OPTION C

No Coverage

WILL UNUM EVER PAY MORE THAN 100% OF MONTHLY EARNINGS?

The total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 100% of your monthly earnings. However, if you are participating in Unum's Rehabilitation and Return to Work Assistance program, the total benefit payable to you on a monthly basis (including all benefits provided under this plan) will not exceed 110% of your monthly earnings.

WHAT ARE YOUR MONTHLY EARNINGS?

Commissioned employees

"Monthly Earnings" means your Annual Base Benefit Rate (ABBR), rounded to the next highest multiple of $100 if not already an exact multiple thereof, in effect just prior to your date of disability as provided by and calculated by your Employer divided by 12. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from
car, housing, moving allowances, or Employer contributions to a qualified deferred compensation plan.

Example: ABBR = $45,156. Round to $45,200 / 12 = $3,766.67 Monthly Earnings

**All employees other than academic employees, academic appointments or hourly employees**

"Monthly Earnings" means gross annual income from your Employer, rounded to the next highest multiple of $100 if not already an exact multiple thereof, in effect just prior to your date of disability divided by 12. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, or any other extra compensation, or income received from sources other than your Employer. Annual income used in the calculation above will not exceed $150,000.

Example 1: Gross annual income = $30,083.04. Round to $30,100 / 12 = $2,508.33 Monthly Earnings.

Example 2: Gross annual income = $59,300. $59,300 / 12 = $4,941.67 Monthly Earnings.

**Hourly employees**

"Monthly Earnings" means your gross monthly income from your Employer in effect just prior to your date of disability. It is figured by multiplying your current base rate of pay by 2,080 hours times your full time equivalent, rounded to the next highest multiple of $100 if not an exact multiple thereof, divided by 12. Your full-time equivalent is your regularly scheduled hours per week divided by 40. It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from special services pay, commissions, bonuses, overtime pay, shift differential or any other extra compensation, or income received from sources other than your Employer.

Example: EE works 36 hours per week so FTE is .90. Hourly pay is $31.06. $31.06 x 2080 x .90 = $58,144.32. Round to $58,200 / 12 = $4,850 Monthly Earnings.

**All academic employees or academic appointments**

"Monthly Earnings" means your annual academic contract salary, rounded to the next highest multiple of $100 if not already an exact multiple thereof, in effect just prior to your date of disability divided by 12. It is your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, special services, projects, summer terms, intersessions or any other extra compensation, or income received from sources other than your Employer.

WHAT WILL WE USE FOR MONTHLY EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

HOW MUCH WILL UNUM PAY YOU IF YOU ARE DISABLED AND WORKING?

We will send you the monthly payment if you are disabled and your monthly disability earnings, if any, are less than 20% of your indexed monthly earnings, due to the same sickness or injury.

If you are disabled and your monthly disability earnings are from 20% through 80% of your indexed monthly earnings, due to the same sickness or injury, Unum will figure your payment as follows:

During the first 12 months of payments, while working, your monthly payment will not be reduced as long as disability earnings plus the gross disability payment does not exceed 100% of indexed monthly earnings.

1. Add your monthly disability earnings to your gross disability payment.
2. Compare the answer in Item 1 to your indexed monthly earnings.
3. If the answer from Item 1 is less than or equal to 100% of your indexed monthly earnings, Unum will not further reduce your monthly payment.
4. If the answer from Item 1 is more than 100% of your indexed monthly earnings, Unum will subtract the amount over 100% from your monthly payment.

After 12 months of payments, while working, you will receive payments based on the percentage of income you are losing due to your disability.

1. Subtract your disability earnings from your indexed monthly earnings.
2. Divide the answer in Item 1 by your indexed monthly earnings. This is your percentage of lost earnings.
3. Multiply your monthly payment by the answer in Item 2.

This is the amount Unum will pay you each month.

Unum may require you to send proof of your monthly disability earnings at least quarterly. We will adjust your payment based on your quarterly disability earnings.

As part of your proof of disability earnings, we can require that you send us appropriate financial records which we believe are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30 of your payment for each day of disability.
HOW CAN WE PROTECT YOU IF YOUR DISABILITY EARNINGS FLUCTUATE?

If your disability earnings routinely fluctuate widely from month to month, Unum may average your disability earnings over the most recent 3 months to determine if your claim should continue.

If Unum averages your disability earnings, we will not terminate your claim unless the average of your disability earnings from the last 3 months exceeds 80% of indexed monthly earnings.

We will not pay you for any month during which disability earnings exceed 80% of indexed monthly earnings.

WHAT ARE DEDUCTIBLE SOURCES OF INCOME?

Unum will subtract from your gross disability payment the following deductible sources of income:

1. The amount that you receive or are entitled to receive under:
   - a workers' compensation law.
   - an occupational disease law.
   - any other act or law with similar intent.

2. The amount that you receive or are entitled to receive as disability income or disability retirement payments under any:
   - state compulsory benefit act or law.
   - group plan sponsored by your Employer.
   - other group insurance plan.
   - governmental retirement system.

3. The amount that you, your spouse and your children receive or are entitled to receive as disability payments because of your disability under:
   - the United States Social Security Act.
   - the Canada Pension Plan.
   - the Quebec Pension Plan.
   - any similar plan or act.

4. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving retirement payments under:
   - the United States Social Security Act.
   - the Canada Pension Plan.
   - the Quebec Pension Plan.
   - any similar plan or act.

5. The amount that you receive as retirement payments under any governmental retirement system. Retirement payments do not include payments made at the later of age 62 or normal retirement age under your Employer's retirement plan which are attributable to contributions you made on a post tax basis to the system.
Regardless of how retirement payments are distributed, Unum will consider payments attributable to your post tax contributions to be distributed throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

6. The amount that you:

- receive as disability payments under your Employer's retirement plan.
- voluntarily elect to receive as retirement payments under your Employer's retirement plan.
- receive as retirement payments when you reach the later of age 62 or normal retirement age, as defined in your Employer's retirement plan.

Disability payments under a retirement plan will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

Retirement payments will be those benefits which are based on your Employer's contribution to the retirement plan. Disability benefits which reduce the retirement benefit under the plan will also be considered as a retirement benefit.

Regardless of how the retirement funds from the retirement plan are distributed, Unum will consider your and your Employer's contributions to be distributed simultaneously throughout your lifetime.

Amounts received do not include amounts rolled over or transferred to any eligible retirement plan. Unum will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

7. The amount that you receive under Title 46, United States Code Section 688 (The Jones Act).

8. The amount that you receive under a salary continuation or accumulated sick leave plan.

With the exception of retirement payments, Unum will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security retirement income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

WHAT ARE NOT DEDUCTIBLE SOURCES OF INCOME?

Unum will not subtract from your gross disability payment income you receive from, but not limited to, the following:

- 401(k) plans
- profit sharing plans
- thrift plans
- tax sheltered annuities
- stock ownership plans
- non-qualified plans of deferred compensation
- pension plans for partners
- military pension and disability income plans
- credit disability insurance
- franchise disability income plans
- a retirement plan from another Employer
- individual retirement accounts (IRA)
- individual disability income plans
- no fault motor vehicle plans

**WHAT IF SUBTRACTING DEDUCTIBLE SOURCES OF INCOME RESULTS IN A ZERO BENEFIT? (Minimum Benefit)**

The minimum monthly payment is the greater of:

- $100; or
- 15% of your gross disability payment.

Unum may apply this amount toward an outstanding overpayment.

**WHAT HAPPENS WHEN YOU RECEIVE A COST OF LIVING INCREASE FROM DEDUCTIBLE SOURCES OF INCOME?**

Once Unum has subtracted any deductible source of income from your gross disability payment, Unum will not further reduce your payment due to a cost of living increase from that source.

**WHAT IF UNUM DETERMINES YOU MAY QUALIFY FOR DEDUCTIBLE INCOME BENEFITS?**

When we determine that you may qualify for benefits under Item(s) 1, 2 and 3 in the deductible sources of income section, we will estimate your entitlement to these benefits. We can reduce your payment by the estimated amounts if such benefits:

- have not been awarded; and
- have not been denied; or
- have been denied and the denial is being appealed.

Your Long Term Disability payment will NOT be reduced by the estimated amount if you:

- apply for the disability payments under Item(s) 1, 2 and 3 in the deductible sources of income section and appeal your denial to all administrative levels Unum feels are necessary; and
- sign Unum's payment option form. This form states that you promise to pay us any overpayment caused by an award.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:
- of the amount awarded; or
- that benefits have been denied and all appeals Unum feels are necessary have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

If you receive a lump sum payment from any deductible sources of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

**HOW LONG WILL UNUM CONTINUE TO SEND YOU PAYMENTS?**

Unum will send you a payment each month up to the **maximum period of payment**. Your maximum period of payment is based on your age at disability as follows:

<table>
<thead>
<tr>
<th>Age at Disability</th>
<th>Maximum Period of Payment</th>
</tr>
</thead>

**WHEN WILL PAYMENTS STOP?**

We will stop sending you payments and your claim will end on the earliest of the following:

- during the first 24 months of payments, when you are able to work in your regular occupation on a **part-time basis** but you do not;
- after 24 months of payments, when you are able to work in any gainful occupation on a part-time basis but you do not;
- if you are working and your monthly disability earnings exceed 80% of your indexed monthly earnings, the date your earnings exceed 80%;
- the end of the maximum period of payment;
- the date you are no longer disabled under the terms of the plan, unless you are eligible to receive benefits under Unum’s Rehabilitation and Return to Work Assistance program;
- the date you fail to submit proof of continuing disability;
- after 12 months of payments if you are considered to reside outside the United States or Canada. You will be considered to reside outside these countries when you have been outside the United States or Canada for a total period of 6 months or more during any 12 consecutive months of benefits;
- the date you die.

**WHAT DISABILITIES HAVE A LIMITED PAY PERIOD UNDER YOUR PLAN?**

The lifetime cumulative maximum benefit period for all disabilities due to **mental illness** and disabilities based primarily on **self-reported symptoms** is 24 months.
Only 24 months of benefits will be paid for any combination of such disabilities even if the disabilities:

- are not continuous; and/or
- are not related.

Unum will continue to send you payments beyond the 24 month period if you meet one or both of these conditions:

1. If you are confined to a hospital or institution at the end of the 24 month period, Unum will continue to send you payments during your confinement.

   If you are still disabled when you are discharged, Unum will send you payments for a recovery period of up to 90 days.

   If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Unum will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. In addition to Item 1, if, after the 24 month period for which you have received payments, you continue to be disabled and subsequently become confined to a hospital or institution for at least 14 days in a row, Unum will send payments during the length of the reconfinement.

Unum will not pay beyond the limited pay period as indicated above, or the maximum period of payment, whichever occurs first.

Unum will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer’s disease; or
- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment.

**WHAT DISABILITIES ARE NOT COVERED UNDER YOUR PLAN?**

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries.
- active participation in a riot.
- loss of a professional license, occupational license or certification.
- commission of a crime for which you have been convicted.
- pre-existing condition.

Your plan will not cover a disability due to war, declared or undeclared, or any act of war.

Unum will not pay a benefit for any period of disability during which you are incarcerated.
WHAT IS A PRE-EXISTING CONDITION?

You have a pre-existing condition if:

- you received medical treatment, consultation, care or services including diagnostic measures, or took prescribed drugs or medicines in the 12 months just prior to your effective date of coverage; and
- the disability begins in the first 12 months after your effective date of coverage.

In addition, this plan will not cover an increase in your coverage made at an annual enrollment period if you have a pre-existing condition. An increase in coverage includes, if applicable to the plan, applying for additional benefits.

WHAT HAPPENS IF YOU RETURN TO WORK FULL TIME WITH THE POLICYHOLDER AND YOUR DISABILITY OCCURS AGAIN?

If you have a recurrent disability, Unum will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under the plan for the period between the end of your prior claim and your recurrent disability; and
- your recurrent disability occurs within 6 months from the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim and will be treated as a continuation of that disability.

Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the policy provisions, including the elimination period.

If you become entitled to payments under any other group long term disability plan, you will not be eligible for payments under the Unum plan.
LONG TERM DISABILITY

OTHER BENEFIT FEATURES

WHAT BENEFITS WILL BE PROVIDED TO YOU OR YOUR FAMILY IF YOU DIE OR ARE TERMINALLY ILL? (Survivor Benefit)

When Unum receives proof that you have died, we will pay your **eligible survivor** a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and
- you were receiving or were entitled to receive payments under the plan.

If you have no eligible survivors, payment will be made to your estate, unless there is none. In this case, no payment will be made.

However, we will first apply the survivor benefit to any overpayment which may exist on your claim.

You may receive your 3 month survivor benefit prior to your death if you have been diagnosed as terminally ill.

We will pay you a lump sum amount equal to 3 months of your gross disability payment if:

- you have been diagnosed with a terminal illness or condition;
- your life expectancy has been reduced to less than 12 months; and
- you are receiving monthly payments.

Your right to exercise this option and receive payment is subject to the following:

- you must make this election in writing to Unum; and
- your physician must certify in writing that you have a terminal illness or condition and your life expectancy has been reduced to less than 12 months.

This benefit is available to you on a voluntary basis and will only be payable once.

If you elect to receive this benefit prior to your death, no 3 month survivor benefit will be payable upon your death.

WHAT IF YOU ARE NOT IN ACTIVE EMPLOYMENT WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

When the plan becomes effective, Unum will provide coverage for you if:

- you are not in active employment because of a sickness or injury; and
- you were covered by the prior policy.

Your coverage is subject to payment of premium.

Your payment will be limited to the amount that would have been paid by the prior carrier. Unum will reduce your payment by any amount for which your prior carrier is liable.
WHAT IF YOU HAVE A DISABILITY DUE TO A PRE-EXISTING CONDITION WHEN YOUR EMPLOYER CHANGES INSURANCE CARRIERS TO UNUM? (Continuity of Coverage)

Unum may send a payment if your disability results from a pre-existing condition if, you were:

- in active employment and insured under the plan on its effective date; and
- insured by the prior policy at the time of change.

In order to receive a payment you must satisfy the pre-existing condition provision under:

1. the Unum plan; or
2. the prior carrier's plan, if benefits would have been paid had that policy remained in force.

If you do not satisfy Item 1 or 2 above, Unum will not make any payments.

If you satisfy Item 1, we will determine your payments according to the Unum plan provisions.

If you only satisfy Item 2, we will administer your claim according to the Unum plan provisions. However, your payment will be the lesser of:

a. the monthly benefit that would have been payable under the terms of the prior plan if it had remained in force; or
b. the monthly payment under the Unum plan.

Your benefits will end on the earlier of the following dates:

1. the end of the maximum benefit period under the plan; or
2. the date benefits would have ended under the prior plan if it had remained in force.

HOW CAN UNUM’S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM HELP YOU RETURN TO WORK?

Unum has a vocational Rehabilitation and Return to Work Assistance program available to assist you in returning to work. We will determine whether you are eligible for this program. In order to be eligible for rehabilitation services and benefits, you must be medically able to engage in a return to work program.

Your claim file will be reviewed by one of Unum’s rehabilitation professionals to determine if a rehabilitation program might help you return to gainful employment. As your file is reviewed, medical and vocational information will be analyzed to determine an appropriate return to work program.

We will make the final determination of your eligibility for participation in the program.

We will provide you with a written Rehabilitation and Return to Work Assistance plan developed specifically for you.
The rehabilitation program may include, but is not limited to, the following services and benefits:

- coordination with your Employer to assist you to return to work;
- adaptive equipment or job accommodations to allow you to work;
- vocational evaluation to determine how your disability may impact your employment options;
- job placement services;
- resume preparation;
- job seeking skills training; or
- education and retraining expenses for a new occupation.

**WHAT ADDITIONAL BENEFITS WILL UNUM PAY WHILE YOU PARTICIPATE IN A REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?**

We will pay an additional disability benefit of 10% of your gross disability payment to a maximum benefit of $1,000 per month.

This benefit is not subject to policy provisions which would otherwise increase or reduce the benefit amount such as Deductible Sources of Income. However, the Total Benefit Cap will apply.

In addition, we will make monthly payments to you for 3 months following the date your disability ends if we determine you are no longer disabled while:

- you are participating in the Rehabilitation and Return to Work Assistance program; and
- you are not able to find employment.

This benefit payment may be paid in a lump sum.

**WHEN WILL REHABILITATION AND RETURN TO WORK ASSISTANCE BENEFITS END?**

Benefits for the Rehabilitation and Return to Work Assistance program will end on the earliest of the following dates:

- the date Unum determines that you are no longer eligible to participate in Unum's Rehabilitation and Return to Work Assistance program; or
- any other date on which monthly payments would stop in accordance with this plan.

**WHAT ADDITIONAL BENEFIT IS AVAILABLE FOR DEPENDENT CARE EXPENSES TO ENABLE YOU TO PARTICIPATE IN UNUM’S REHABILITATION AND RETURN TO WORK ASSISTANCE PROGRAM?**

While you are participating in Unum's Rehabilitation and Return to Work Assistance program, we will pay a Dependent Care Expense Benefit when you are disabled and you:

1. are incurring expenses to provide care for a child under the age of 15; and/or
2. start incurring expenses to provide care for a child age 15 or older or a family member who needs personal care assistance.
The payment of the Dependent Care Expense Benefit will begin immediately after you start Unum’s Rehabilitation and Return to Work Assistance program.

Our payment of the Dependent Care Expense Benefit will:

1. be $350 per month, per dependent; and
2. not exceed $1,000 per month for all dependent care expenses combined.

To receive this benefit, you must provide satisfactory proof that you are incurring expenses that entitle you to the Dependent Care Expense Benefit.

Dependent Care Expense Benefits will end on the earlier of the following:

1. the date you are no longer incurring expenses for your dependent;
2. the date you no longer participate in Unum’s Rehabilitation and Return to Work Assistance program; or
3. any other date payments would stop in accordance with this plan.

Additional Claim and Appeal Information  
Relative to policy issued by Unum Life Insurance Company of America ("Unum")

Benefit determinations are controlled exclusively by the policy, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.
APPEAL PROCEDURES

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable laws and regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);
- a statement describing your right to bring a lawsuit if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

OTHER RIGHTS

Unum, for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.
Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or policy
and effective for claims filed on or after April 1, 2018.

Any cancellation or discontinuance of your disability coverage that has a retroactive
effect will be treated as an adverse benefit determination, except in the case of
failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons,
the plan will provide, in the non-English language(s), a statement of how to access
oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of
the basis for disagreeing or not following the views of: (1) health care professionals
who have treated you or vocational professionals who have evaluated you; (2) the
advice of medical or vocational professionals obtained on behalf of the plan; and (3)
any disability determination made by the Social Security Administration regarding
you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal
rules, guidelines, protocols, standards or other similar criteria of the plan relied upon
in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to
review and respond to any new or additional rationale or evidence considered, relied
upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of
any applicable contractual limitations period that applies to your right to bring legal
proceedings and the calendar date on which that period expires.
NOTICE OF PROTECTION PROVIDED BY MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Missouri Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are as follows:

- **Life Insurance**
  - $300,000 in death benefits
  - $100,000 in cash surrender or withdrawal values

- **Health Insurance**
  - $500,000 in hospital, medical and surgical insurance benefits
  - $300,000 in disability insurance benefits
  - $300,000 in long-term care insurance benefits
  - $100,000 in other types of health insurance benefits

- **Annuities**
  - $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- $300,000 in aggregate for all types of coverage listed above, with the exception of basic hospital, medical, and surgical insurance or major medical insurance
- $500,000 in aggregate for basic hospital, medical, and surgical insurance or major medical insurance
- $5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

**Note: Certain policies and contracts may not be covered or fully covered.** For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at [www.mo-iga.org](http://www.mo-iga.org), or contact:
