CLAIM INFORMATION

LIFE INSURANCE

WHEN DO YOU OR YOUR AUTHORIZED REPRESENTATIVE NOTIFY UNUM OF A CLAIM?

We encourage you or your authorized representative to notify us as soon as possible, so that a claim decision can be made in a timely manner.

If a claim is based on your disability, written notice and proof of claim should be sent no later than 90 days after the end of the elimination period.

If a claim is based on death, written notice and proof of claim should be sent no later than 90 days after the date of death.

If it is not possible to give proof within these time limits, it must be given as soon as reasonably possible.

The claim form is available from your Employer, or you or your authorized representative can request a claim form from us. If you or your authorized representative does not receive the form from Unum within 15 days of the request, send Unum written proof of claim without waiting for the form.

If you have a disability, you must notify us immediately when you return to work in any capacity, regardless of whether you are working for your Employer.

HOW DO YOU FILE A CLAIM FOR A DISABILITY (WAIVER OF PREMIUM)?

You or your authorized representative, and your Employer must fill out your own sections of the claim form and then give it to your attending physician. Your physician should fill out their section of the form and send it directly to Unum.

WHAT INFORMATION IS NEEDED AS PROOF OF YOUR CLAIM?

If your claim is based on your disability, your proof of claim, provided at your expense, must show:

- that you are under the **regular care** of a **physician**;
- the date your disability began;
- the cause of your disability;
- the extent of your disability, including restrictions and limitations preventing you from performing your regular occupation or any gainful occupation; and
- the name and address of any **hospital or institution** where you received treatment, including all attending physicians.

We may request that you send proof of continuing disability indicating that you are under the regular care of a physician. This proof, provided at your expense, must be received within 45 days of a request by us.

If claim is based on death, proof of claim, provided at your or your authorized representative's expense, must show the cause of death. Also a certified copy of the death certificate must be given to us.

In some cases, you will be required to give Unum authorization to obtain additional medical and non-medical information as part of your proof of claim or proof of continuing disability. Unum will deny your claim if the appropriate information is not submitted.

WHEN CAN UNUM REQUEST AN AUTOPSY?

In the case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

HOW DO YOU DESIGNATE OR CHANGE A BENEFICIARY? (Beneficiary Designation)

At the time you become insured, you should name a beneficiary on your enrollment form for your death benefits under your life insurance. You may change your beneficiary at any time by filing a form approved by Unum with your Employer. The new beneficiary designation will be effective as of the date you sign that form. However, if we have taken any action or made any payment before your Employer receives that form, that change will not go into effect.

It is important that you name a beneficiary and keep your designation current. If more than one beneficiary is named and you do not designate their order or share of payments, the beneficiaries will share equally. The share of a beneficiary who dies before you, or the share of a beneficiary who is disqualified, will pass to any surviving beneficiaries in the order you designated.

If you do not name a beneficiary, or if all named beneficiaries do not survive you, or if your named beneficiary is disqualified, your death benefit will be paid to your estate.

Instead of making a death payment to your estate, Unum has the right to make payment to the first surviving family members of the family members in the order listed below:

- spouse;
- child or children;
- mother or father; or
- sisters or brothers.

If we are to make payments to a beneficiary who lacks the legal capacity to give us a release, Unum may pay up to \$2,000 of the beneficiary's share to the person or institution that appears to have assumed the custody and main support of the beneficiary until a legal guardian is appointed or until beneficiary has legal capacity or legal guardian can sign a release. This payment made in good faith satisfies Unum's legal duty to the extent of that payment and Unum will not have to make payment again.

Also, at Unum's option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for your last sickness and death.

In addition, if you do not survive your spouse, and dependent life coverage is continued, then your surviving spouse should name a beneficiary according to the requirements specified above for you.

HOW WILL UNUM MAKE PAYMENTS?

If your or your dependent's life claim is at least \$10,000, Unum will make available to the beneficiary a **retained asset account** (the Unum Security Account).

Payment for the life claim may be accessed by writing a draft in a single sum or drafts in smaller sums. The funds for the draft or drafts are fully guaranteed by Unum.

If the life claim is less than \$10,000, Unum will pay it in one lump sum to you or your beneficiary.

Also, you or your beneficiary may request the life claim to be paid according to one of Unum's other settlement options. This request must be in writing in order to be paid under Unum's other settlement options.

If you do not survive your spouse, and dependent life coverage is continued, then your surviving spouse's death claim will be paid to your surviving spouse's beneficiary.

All other benefits will be paid to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

- fraud; and
- any error Unum makes in processing a claim.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Unum will not recover more money than the amount we paid you.

WHAT ARE YOUR ASSIGNABILITY RIGHTS FOR THE DEATH BENEFITS UNDER YOUR LIFE INSURANCE? (Assignability Rights)

The rights provided to you by the plan for life insurance are owned by you, unless:

- you have previously assigned these rights to someone else (known as an "assignee"); or
- you assign your rights under the plan(s) to an assignee.

We will recognize an assignee as the owner of the rights assigned only if:

- the assignment is in writing, signed by you, and acceptable to us in form; and
- a signed or certified copy of the written assignment has been received and registered by us at our home office.

We will not be responsible for the legal, tax or other effects of any assignment, or for any action taken under the plan(s) provisions before receiving and registering an assignment.

- the name of the institution;

- a list of courses for the current academic term; and
- the number of credit hours for the current academic term.

WHEN CAN UNUM REQUEST AN AUTOPSY?

In the case of death, Unum will have the right and opportunity to request an autopsy where not forbidden by law.

HOW DO YOU DESIGNATE OR CHANGE A BENEFICIARY? (Beneficiary Designation)

At the time you become insured, you should name a beneficiary on your enrollment form for your death benefits under your accidental death and dismemberment insurance. You may change your beneficiary at any time by filing a form approved by Unum with your Employer. The new beneficiary designation will be effective as of the date you sign that form. However, if we have taken any action or made any payment before your Employer receives that form, that change will not go into effect.

It is important that you name a beneficiary and keep your designation current. This payment made in good faith satisfies Unum's legal duty to the extent of that payment and Unum will not have to make payment again.

Also, at Unum's option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for your last sickness and death.

In addition, if you do not survive your spouse, and dependent accidental death and dismemberment coverage is continued, then your surviving spouse should name a beneficiary according to the requirements specified above for you.

HOW WILL UNUM MAKE PAYMENTS?

If your or your dependent's accidental death or dismemberment claim is at least \$10,000 Unum will make available to you or your beneficiary a **retained asset account** (the Unum Security Account).

Payment for the accidental death or dismemberment claim may be accessed by writing a draft in a single sum or drafts in smaller sums. The funds for the draft or drafts are fully guaranteed by Unum.

If the accidental death or dismemberment claim is less than \$10,000, Unum will pay it in one lump sum to you or your beneficiary.

Also, you or your beneficiary may request the accidental death claim to be paid according to one of Unum's other settlement options. This request must be in writing in order to be paid under Unum's other settlement options.

The Education Benefit will be paid to your qualified child or the qualified child's legal representative.

If you do not survive your spouse, and dependent accidental death and dismemberment coverage is continued, then your surviving spouse's death claim will be paid to your surviving spouse's beneficiary.

All other benefits will be paid to you.

WHAT HAPPENS IF UNUM OVERPAYS YOUR CLAIM?

Unum has the right to recover any overpayments due to:

GENERAL PROVISIONS

WHAT IS THE CERTIFICATE OF COVERAGE?

This certificate of coverage is a written statement prepared by Unum and may include attachments. It tells you:

- the coverage for which you may be entitled;
- to whom Unum will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

WHEN ARE YOU ELIGIBLE FOR COVERAGE?

If you are working for your Employer in an eligible group, the date you are eligible for coverage is the plan effective date.

WHEN DOES YOUR COVERAGE BEGIN?

This plan provides additional life and accidental death and dismemberment benefits in addition to the basic life insurance benefit. When you first become eligible for coverage, you may apply for additional benefits, however, you cannot be covered under more than the maximum benefit.

Evidence of insurability is required for any amount of life insurance over the amount shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

You will automatically be covered under the basic benefit at 12:01 a.m. on the later of:

- the date you are eligible for coverage; or
- the date Unum approves your evidence of insurability form, if evidence of insurability is required.

For the optional coverage plan, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or
- the date Unum approves your evidence of insurability form, if evidence of insurability is required.

If you do not apply for additional benefits on or before the 31st day after your eligibility date, you can only apply at the next **annual enrollment period**. Evidence of insurability is required for any amount of life insurance. Evidence of insurability is not required for accidental death and dismemberment insurance.

Coverage applied for during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the date Unum approves your evidence of insurability form for life insurance.

WHEN CAN YOU CHANGE YOUR COVERAGE BY CHOOSING ANOTHER ADDITIONAL BENEFIT OPTION? (This does not apply to Late Entrants)

You can change your coverage by applying for a different additional benefit option only during an annual enrollment period or within 31 days of a change in status.

You can increase your life insurance any number of benefit options and increase your accidental death and dismemberment insurance coverage any number of benefit units up to the maximum benefit available under the plan.

You can decrease your coverage any number of levels.

Evidence of insurability is required if, during an annual enrollment, you increase your life insurance coverage by any number of benefit options.

Evidence of insurability is required if, during a change in status, you increase your life insurance coverage over the amount shown in the LIFE INSURANCE "BENEFITS AT A GLANCE" page.

If you are not approved for the increase in your life insurance coverage, you will automatically remain at the same amount you had prior to applying for the increase.

Your Employer determines when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the date Unum approves your evidence of insurability form for life insurance, if evidence of insurability is required.

A change in coverage due to a change in status will begin at 12:01 a.m. on the latest of:

- the date of the change in status, in case of birth, adoption or placement for adoption; or
- the first of the month coincident with or next following the date you apply, if you apply within 31 days after the date of the change in status (excludes birth, adoption or placement for adoption); or
- the first of the month coincident with or next following the date Unum approves your evidence of insurability form for life insurance, if evidence of insurability is required.

Changes in coverage must be consistent with the change in status.

IS EVIDENCE OF INSURABILITY REQUIRED IF YOU RECEIVE AN INCREASE IN YOUR ANNUAL EARNINGS?

If you remain covered for the same basic benefit and the same additional benefit option, evidence of insurability is not required for increased life amounts due to increased annual earnings.

However, if you previously were declined coverage, evidence of insurability is required for any increases until Unum approves your evidence of insurability form.

If you are not in active employment due to an injury or sickness, this change in coverage due to a change in your annual earnings will begin on the date you return to active employment.

WHAT IF YOU ARE ABSENT FROM WORK ON THE DATE YOUR COVERAGE WOULD NORMALLY BEGIN?

If you are absent from work due to temporary layoff or leave of absence, your coverage will begin on the date you return to **active employment**.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE NOT WORKING DUE TO INJURY OR SICKNESS?

If you are not working due to injury or sickness, and if premium is paid, you may continue to be covered up to your retirement date.

ONCE YOUR COVERAGE BEGINS, WHAT HAPPENS IF YOU ARE TEMPORARILY NOT WORKING?

If you are on a temporary **layoff**, and if premium is paid, you will be covered for up to 1 year following the date your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered for up to 1 year following the date your leave of absence begins or as approved by Unum and your Employer pursuant to your Employer's leave of absence policy.

WHEN WILL CHANGES TO YOUR COVERAGE TAKE EFFECT?

Once your coverage begins, any increased or additional coverage due to a change in your annual earnings or due to a plan change requested by your Employer will take effect immediately following the date the change occurs or on the date Unum approves your evidence of insurability form for life insurance, if evidence of insurability is required. You must be in active employment or on a covered layoff or leave of absence.

If you are not in active employment due to injury or sickness, any increased or additional coverage due to a change in your annual earnings or due to a plan change will begin on the date you return to active employment.

Any decrease in coverage will take effect immediately but will not affect a **payable claim** that occurs prior to the decrease.

WHEN DOES YOUR COVERAGE END?

Your coverage under the Summary of Benefits or a plan ends on the earliest of:

- the date the Summary of Benefits or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment unless continued due to a covered layoff or leave of absence or due to an injury or sickness, as described in this certificate of coverage.

Unum will provide coverage for a payable claim which occurs while you are covered under the Summary of Benefits or plan.

WHEN ARE YOU ELIGIBLE TO ELECT DEPENDENT COVERAGE?

If you elect coverage for yourself or are insured under the plan, you are eligible to elect dependent coverage for your spouse only, your dependent children only or both.

If you do not elect coverage for yourself, you are eligible to elect dependent coverage for your spouse only, your dependent children only or both. You must be eligible for coverage.

WHEN ARE YOUR DEPENDENTS ELIGIBLE FOR COVERAGE?

The date your dependents are eligible for coverage is the latest of:

- the date you are eligible for coverage; or
- the date you first acquire a dependent.

WHAT DEPENDENTS ARE ELIGIBLE FOR COVERAGE?

The following dependents are eligible for coverage under the plan:

- Your lawful spouse, including a legally separated spouse. You may not cover your spouse as a dependent if your spouse is enrolled for coverage as an employee.

"Spouse" wherever used includes domestic partner.

- Your domestic partner.
 - Your domestic partner is the person named in your declaration of domestic partnership. You must execute and provide the plan administrator with such a declaration which states and gives proof that the domestic partner has had the same permanent residence as you for a minimum of 12 consecutive months prior to the date insurance would become effective for that domestic partner.
 - You must not have signed a declaration of domestic partnership with anyone else within the last 12 months of signing the latest declaration of domestic partnership.
 - The domestic partner must be at least 18 years of age, competent to contract, not related by blood closer than would bar marriage, the sole named domestic partner, not married to anyone else and the declaration of domestic partnership must be approved and recorded by the plan administrator.
 - You may not cover your domestic partner as a dependent if your domestic partner is enrolled for coverage as an employee.
- Your children from live birth but less than age 26. Stillborn children are not eligible for coverage.
- Your **handicapped** dependent children age 26 or over who became handicapped prior to the child's attainment of age 26.

Unum must receive proof within 31 days of the date the child is eligible for coverage under this Summary of Benefits, and as required during the first two

years. After the first two years, Unum will ask for proof when needed, but not more than once a year.

Children include your own natural offspring, lawfully adopted children and stepchildren. They also include foster children. A child will be considered adopted on the date of placement in your home.

No child may be covered by more than one employee in the plan.

No child can be covered as both an employee and a dependent.

WHEN DOES YOUR DEPENDENT COVERAGE BEGIN?

This plan provides additional benefit units for life insurance that you can choose for your dependents. When your dependents first become eligible for coverage, you may apply for any number of benefit units, however, your dependents cannot be covered for more than the maximum benefits available under the plan.

This plan also provides additional benefit options for accidental death & dismemberment that you can choose for your dependents. When your dependents first become eligible for coverage, you may apply for any benefit option, however, your dependents cannot be covered for more than the maximum benefits available under the plan.

Evidence of insurability is required if you are applying for any amount of dependent spouse life insurance over the amount shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

You pay 100% of the cost for your dependent coverage. Your dependents will be covered at 12:01 a.m. on the latest of:

- the date your dependents are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for dependent insurance, if you apply within 31 days after your dependent's eligibility date; or
- the date Unum approves your dependent's evidence of insurability form for life insurance, if evidence of insurability is required.

If you do not apply for dependent coverage on or before the 31st day after your dependent's eligibility date, you can only apply at the next annual enrollment period. Evidence of insurability is required for any amount of dependent spouse life insurance. Evidence of insurability is not required for dependent accidental death and dismemberment insurance.

Dependent coverage applied for during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the date Unum approves your dependent's evidence of insurability form for life insurance, if evidence of insurability is required.

WHEN CAN YOU CHANGE YOUR DEPENDENT COVERAGE?

You can change your dependent coverage by applying for additional benefits during an annual enrollment period or within 31 days of a change in status. You can increase your dependent coverage any number of benefit units or options up to the maximum benefits available under the plan or decrease your dependent coverage any number of benefit units or options.

For changes made during an annual enrollment period, evidence of insurability is required if you increase your dependent spouse life insurance by any number of benefit units.

For changes made during a change in status, evidence of insurability is required if you increase your dependent spouse life insurance over the amount shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

If your dependent spouse is not approved for the increase in life insurance coverage, your spouse will remain at the same life insurance amount your spouse had prior to applying for the increase. However, if your spouse's current life insurance amount is below the evidence of insurability requirements, your spouse will be covered up to the life insurance amount shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

Your Employer determines when the annual enrollment period begins and ends. A change in coverage that is made during an annual enrollment period will begin at 12:01 a.m. on the later of:

- the first day of the next plan year; or
- the date Unum approves your dependent's evidence of insurability form for life insurance, if evidence of insurability is required.

A change in coverage due to a change in status will begin at 12:01 a.m. on the latest of:

- the date of the change in status, in the case of birth, adoption or placement for adoption or
- the first of the month coincident with or next following the date you apply, if you apply within 31 days after the date of the change in status (excludes birth, adoption or placement for adoption); or
- the first of the month coincident with or next following the date Unum approves your dependent's evidence of insurability form for life insurance, if evidence of insurability is required.

Changes in coverage must be consistent with the change in status.

WHAT IF YOUR DEPENDENT IS TOTALLY DISABLED ON THE DATE YOUR DEPENDENT'S COVERAGE WOULD NORMALLY BEGIN?

If your eligible dependent is **totally disabled**, your dependent's coverage will begin on the date your eligible dependent no longer is totally disabled.

WHEN WILL CHANGES TO YOUR DEPENDENT'S COVERAGE TAKE EFFECT?

Once your dependent's coverage begins, any increased or additional dependent coverage due to a plan change requested by your Employer will take effect on the first of the month coincident with or next following the date the change occurs or on the date Unum approves your dependent's evidence of insurability form for life insurance, if evidence of insurability is required, provided your dependent is not totally disabled.

If your dependent is totally disabled, any increased or additional dependent coverage will begin on the date your dependent is no longer totally disabled.

Any decreased coverage will take effect immediately but will not affect a payable claim that occurs prior to the decrease.

WHEN DOES YOUR DEPENDENT'S COVERAGE END?

Your dependent's coverage under the Summary of Benefits or a plan ends on the earliest of:

- the date the Summary of Benefits or a plan is cancelled;
- the date you no longer are in an eligible group;
- the date your eligible group is no longer covered;
- the date of your death;
- the last day of the period for which you made any required contributions; or
- the last day you are in active employment unless continued due to a covered layoff or leave of absence or due to an injury or sickness, as described in this certificate of coverage.

Coverage for any one dependent will end on the earliest of:

- the date your coverage under a plan ends;
- the date your dependent ceases to be an eligible dependent;
- for a spouse, the date of divorce or annulment; or
- for a domestic partner, the date your domestic partnership ends.

Unum will provide coverage for a payable claim which occurs while your dependents are covered under the Summary of Benefits or plan.

WILL COVERAGE CONTINUE FOR A HANDICAPPED CHILD INSURED UNDER THE PLAN WHO IS AGE 26 OR OVER?

Coverage will continue for a child age 26 or over who is handicapped, provided:

- the child is currently insured under the plan; and
- you are the main source of support and maintenance.

Unum must receive proof within 31 days of the date the child attains age 26 and as required during the first two years. After the first two years, Unum will ask for proof when needed, but not more than once a year.

WHAT ARE THE TIME LIMITS FOR LEGAL PROCEEDINGS?

You or your authorized representative can start legal action regarding a claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

HOW CAN STATEMENTS MADE IN YOUR APPLICATION FOR THIS COVERAGE BE USED?

Unum considers any statements you or your Employer make in a signed application for coverage or an evidence of insurability form a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

As a basis for doing this, we will use only statements made in a signed application by the Employer, or an application or evidence of insurability form signed by you, a copy of which has been given:

- to you; or
- your beneficiary, or a person acting on your behalf, if you:
 - die; or
 - are not competent.

Except in the case of fraud, Unum can take action only in the first 2 years coverage is in force.

If an individual's age is misstated:

- the correct age will decide if and in what amounts insurance is valid under the Summary of Benefits; and
- a fair adjustment of the premium will be made.

HOW WILL UNUM HANDLE INSURANCE FRAUD?

Unum wants to ensure you and your Employer do not incur additional insurance costs as a result of the undermining effects of insurance fraud. Unum promises to focus on all means necessary to support fraud detection, investigation, and prosecution.

It is a crime if you knowingly, and with intent to injure, defraud or deceive Unum, or provide any information, including filing a claim, that contains any false, incomplete or misleading information. These actions, as well as submission of materially false information, will result in denial of your claim, and are subject to prosecution and punishment to the full extent under state and/or federal law. Unum will pursue all appropriate legal remedies in the event of insurance fraud.

DOES YOUR EMPLOYER ACT AS YOUR AGENT OR UNUM'S AGENT?

For the purposes of the Summary of Benefits, your Employer acts on its own behalf or as your agent. Under no circumstances will your Employer be deemed the agent of Unum.

It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from bonuses, overtime pay, or any other extra compensation, or income received from sources other than your Employer.

It does not include income received from commissions, bonuses, overtime pay, or any other extra compensation, or income received from sources other than your Employer.

Hourly employees

"Annual Earnings" means your gross annual income from your Employer in effect just prior to the date of loss. It is figured by multiplying your current base rate of pay by 2,080 hours times your full-time equivalent. Your full-time equivalent is your regularly scheduled hours per week divided by 40.

It includes your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from special services

pay, commissions, bonuses, overtime pay, shift differential or any other extra compensation, or income received from sources other than your Employer.

All academic employees or academic appointments

"Annual Earnings" means your annual academic contract salary in effect just prior to the date of loss. Annual salary is your total income before taxes. It is prior to any deductions made for pre-tax contributions to a qualified deferred compensation plan, Section 125 plan, or flexible spending account. It does not include income received from commissions, bonuses, overtime pay, special services, projects, summer terms, intersessions or any other extra compensation, or income received from sources other than your Employer.

WHAT WILL WE USE FOR ANNUAL EARNINGS IF YOU BECOME DISABLED DURING A COVERED LAYOFF OR LEAVE OF ABSENCE?

If you become disabled while you are on a covered layoff or leave of absence, we will use your annual earnings from your Employer in effect just prior to the date your absence began.

WHAT HAPPENS TO YOUR LIFE INSURANCE COVERAGE IF YOU BECOME DISABLED?

Your life insurance coverage may be continued for a specific time and your life insurance premium will be waived if you qualify as described below.

HOW LONG MUST YOU BE DISABLED BEFORE YOU ARE ELIGIBLE TO HAVE LIFE PREMIUMS WAIVED?

You must be disabled through your **elimination period**.

Your elimination period is 6 months.

WHEN WILL YOUR LIFE INSURANCE PREMIUM WAIVER BEGIN?

Your life insurance premium waiver will begin when we approve your claim, if the elimination period has ended and you meet the following conditions. Your Employer may continue premium payments until Unum notifies your Employer of the date your life insurance premium waiver begins.

Your life insurance premium will be waived if you meet these conditions:

- you are less than 60 and insured under the plan.
- you become disabled and remain disabled during the elimination period.
- you meet the notice and proof of claim requirements for disability while your life insurance is in effect or within three months after it ends.
- your claim is approved by Unum.

After we approve your claim, Unum does not require further premium payments for you while you remain disabled according to the terms and provisions of the plan.

Your life insurance amount will not increase while your life insurance premiums are being waived. Your life insurance amount will reduce or cease at any time it would reduce or cease if you had not been disabled.

WHEN WILL YOUR LIFE INSURANCE PREMIUM WAIVER END?

The life insurance premium waiver will automatically end if:

- you recover and you no longer are disabled;
- you fail to give us proper proof that you remain disabled;
- you refuse to have an examination by a physician chosen by Unum;
- you reach age 65; or
- premium has been waived for 12 months and you are considered to reside outside the United States or Canada. You will be considered to reside outside the United States or Canada when you have been outside these countries for a total period of 6 months or more during any 12 consecutive months for which premium has been waived.

HOW DOES UNUM DEFINE DISABILITY?

You are disabled when Unum determines that:

- during the elimination period, you are not working in any occupation due to your **injury** or **sickness**; and
- after the elimination period, due to the same injury or sickness, you are unable to perform the duties of any **gainful occupation** for which you are or become reasonably fitted by training, education or experience.

You must be under the regular care of a physician in order to be considered disabled.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

We may require you to be examined by a physician, other medical practitioner or vocational expert of our choice. Unum will pay for this examination. We can require an examination as often as it is reasonable to do so. We may also require you to be interviewed by an authorized Unum Representative.

APPLYING FOR LIFE INSURANCE PREMIUM WAIVER

Ask your Employer for a life insurance premium waiver claim form.

The form has instructions on how to complete and where to send the claim.

WHAT INSURANCE IS AVAILABLE WHILE YOU ARE SATISFYING THE DISABILITY REQUIREMENTS? (See *Conversion Privilege*)

You may use this life conversion privilege when your life insurance terminates while you are satisfying the disability requirements. Please refer to the conversion privilege below. You are not eligible to apply for this life conversion if you return to work and, again, become covered under the plan.

If an individual life insurance policy is issued to you, any benefit for your death under this plan will be paid only if the individual policy is returned for surrender to Unum. Unum will refund all premiums paid for the individual policy.

The amount of your death benefit will be paid to your named beneficiary for the plan. If, however, you named a different beneficiary for the individual policy and the policy is returned to Unum for surrender, that different beneficiary will not be paid.

If you want to name a different beneficiary for this group plan, you must change your beneficiary as described in the Beneficiary Designation page of this group plan.

WHAT INSURANCE IS AVAILABLE WHEN COVERAGE ENDS? (Conversion Privilege)

When coverage ends under the plan, you and your dependents can convert your coverages to individual life policies, without evidence of insurability. The maximum amounts that you can convert are the amounts you and your dependents are insured for under the plan. You may convert a lower amount of life insurance.

You and your dependents must apply for individual life insurance under this life conversion privilege and pay the first premium within 31 days after the date:

- your employment terminates; or
- you or your dependents no longer are eligible to participate in the coverage of the plan.

If you convert to an individual life policy, then return to work, and, again, become insured under the plan, you are not eligible to convert to an individual life policy again. However, you do not need to surrender that individual life policy when you return to work.

Converted insurance may be of any type of the level premium whole life plans then in use by Unum. The person may elect one year of Preliminary Term insurance under the level premium whole life policy. The individual policy will not contain disability or other extra benefits.

WHAT LIMITED CONVERSION IS AVAILABLE IF THE SUMMARY OF BENEFITS OR THE PLAN IS CANCELLED? (Conversion Privilege)

You and your dependents may convert a limited amount of life insurance if you have been insured under your Employer's group plan with Unum for at least five (5) years and the Summary of Benefits or the plan:

- is cancelled with Unum; or
- changes so that you no longer are eligible.

The individual life policy maximum for each of you will be the lesser of:

- \$10,000; or
- your or your dependent's coverage amounts under the plan less any amounts that become available under any other group life plan offered by your Employer within 31 days after the date the Summary of Benefits or the plan is cancelled.

PREMIUMS

Premiums for the converted insurance will be based on:

- the person's then attained age on the effective date of the individual life policy;

- the type and amount of insurance to be converted;
- Unum's customary rates in use at that time; and
- the class of risk to which the person belongs.

If the premium payment has been made, the individual life policy will be effective at the end of the 31 day conversion application period.

DEATH DURING THE THIRTY-ONE DAY CONVERSION APPLICATION PERIOD

If you or your dependents die within the 31 day conversion application period, Unum will pay the beneficiary(ies) the amount of insurance that could have been converted. This coverage is available whether or not you have applied for an individual life policy under the conversion privilege.

EMPLOYER NOTICE

Your Employer must notify each person of their conversion privileges 15 days from the date that person's life insurance terminates.

If your Employer does not notify that person 15 days from the date that person's life insurance terminates, the time allowed for that person to exercise their life conversion privilege will be extended 15 days from the date your Employer notifies that person.

In no event will the time allowed for that person to exercise their life conversion privilege be extended beyond 91 days from the date that person's life insurance terminates.

Any extended application period provided under this provision does not continue any insurance beyond the period provided in this Summary of Benefits.

APPLYING FOR CONVERSION

Ask Unum for a conversion application form which includes cost information.

When you complete the application, send it with the first premium amount to:

WILL UNUM ACCELERATE YOUR OR YOUR DEPENDENT'S DEATH BENEFIT FOR THE PLAN IF YOU OR YOUR DEPENDENT BECOMES TERMINALLY ILL? (Accelerated Benefit)

If you or your dependent becomes terminally ill while you or your dependent is insured by the plan, Unum will pay you a portion of your or your dependent's life insurance benefit one time. You may elect up to 100% of your or your dependent's life insurance amount. However, the one-time benefit paid will not be greater than \$1,000,000.

Your or your dependent's right to exercise this option and to receive payment is subject to the following:

- you or your dependent requests this election, in writing, on a form acceptable to Unum;
- you or your dependent must be terminally ill at the time of payment of the Accelerated Benefit;
- your or your dependent's physician must certify, in writing, that you or your dependent is terminally ill and your or your dependent's life expectancy has been reduced to less than 12 months; and
- the physician's certification must be deemed satisfactory to Unum.

The Accelerated Benefit is available on a voluntary basis. Therefore, you or your dependent is not eligible for benefits if:

- you or your dependent is required by law to use this benefit to meet the claims of creditors, whether in bankruptcy or otherwise; or
- you or your dependent is required by a government agency to use this benefit in order to apply for, get, or otherwise keep a government benefit or entitlement.

Premium payments must continue to be paid on the remaining amount of life insurance unless you qualify to have your life premium waived.

Also, premium payments must continue to be paid on the remaining amount of your dependent's life insurance.

If you have assigned your rights under the plan to an assignee or made an irrevocable beneficiary designation, Unum must receive consent, in writing, that the assignee or irrevocable beneficiary has agreed to the Accelerated Benefit payment on your behalf in a form acceptable to Unum before benefits are payable.

An election to receive an Accelerated Benefit will have the following effect on other benefits:

- the death benefit payable will be reduced by any amount of Accelerated Benefit that has been paid; and
- any amount of life insurance that would be continued under a disability continuation provision or that may be available under the conversion privilege will be reduced by the amount of the Accelerated Benefit paid. The remaining life insurance amount will be paid according to the terms of the Summary of Benefits subject to any reduction and termination provisions.

Benefits paid may be taxable. Unum is not responsible for any tax or other effects of any benefit paid. As with all tax matters, you or your dependent should consult your personal tax advisor to assess the impact of this benefit.

However, the amount of portable coverage for you will not be more than:

- the highest amount of life insurance available for employees under the plan; or
- 5x your annual earnings; or
- \$750,000 from all Unum group life and accidental death and dismemberment plans combined,

whichever is less.

The amount of ported life insurance must be equal to or greater than the amount of ported accidental death and dismemberment insurance.

The amount of portable coverage for your spouse will not be more than:

- the highest amount of life insurance available for spouses under the plan; or
- 100% of your amount of portable coverage; or

The minimum amount of coverage that can be ported is \$5,000 for you and \$1,000 for your dependents. If the current amounts under the plan are less than \$5,000 for you and \$1,000 for your dependents you and your dependents may port the lesser amounts.

Your or your dependent's amount of life insurance will reduce or cease at any time it would reduce or cease for your eligible group if you had continued in active employment with your Employer.

APPLYING FOR PORTABLE COVERAGE

You must apply for portable coverage for yourself and your dependents and pay the first premium within 31 days after the date:

- your coverage ends or you retire from your Employer; or
- you begin working less than the minimum number of hours as described under Eligible Groups in this plan.

Your dependents must apply for portable coverage and pay the first premium within 31 days after the date you die.

You are not eligible to apply for portable coverage for yourself if:

- you have an **injury** or **sickness**, under the terms of this plan, which has a material effect on life expectancy;
- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan.

You are not eligible to apply for portable coverage for a dependent if:

- you do not elect portable coverage for yourself;

- the policy is cancelled (the Policy is the group policy issued to the Trustees of the Select Group Insurance Trust in which your Employer participates); or
- you failed to pay the required premium under the terms of this plan for your child.

If we determine that because of an injury or sickness, which has a material effect on life expectancy, you or your dependents were not eligible for portability at the time you or your dependents elected portable coverage, the benefit will be adjusted to the amount of whole life coverage the premium would have purchased under the Conversion Privilege.

APPLYING FOR INCREASES OR DECREASES IN PORTABLE COVERAGE

You or your dependents may increase or decrease the amount of life insurance coverage. The minimum and maximum benefit amounts are shown above. However, the amount of life insurance coverage cannot be decreased below \$5,000 for you and \$1,000 for your dependents. All increases are subject to evidence of insurability. Portable coverage will reduce at the ages and amounts shown in the LIFE INSURANCE "**BENEFITS AT A GLANCE**" page.

**Additional Claim and Appeal Information
Relative to the Summary of Benefits issued by
Unum Life Insurance Company of America ("Unum")**

Benefit determinations are controlled exclusively by the Summary of Benefits, your certificate of coverage, and the information in this document.

HOW TO FILE A CLAIM

If you wish to file a claim for benefits, you should follow the claim procedures described in your insurance certificate. To complete your claim filing, Unum must receive the claim information it requests from you (or your authorized representative), your attending physician and your Employer. If you or your authorized representative has any questions about what to do, you or your authorized representative should contact Unum directly.

CLAIMS PROCEDURES

If a claim is based on death, a covered loss not based on disability or for the Education Benefit

In the event that your claim is denied, either in full or in part, Unum will notify you in writing within 90 days after your claim was filed. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

If a claim is based on your disability

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30 day extension period will begin after you have provided that information. If you fail to deliver the requested

information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or state that such information will be provided free of charge upon request).

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

APPEAL PROCEDURES

If an appeal is based on death, a covered loss not based on disability or for the Education Benefit

If you or your authorized representative appeal a denied claim, it must be submitted within 90 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable laws and regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those Summary of Benefits' provisions upon which the final decision is based. It will also include a statement

describing your access to documents and describing your right to bring a lawsuit if you disagree with the determination.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

If an appeal is based on your disability

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal. Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45 day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45 day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable laws and regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- a statement disclosing any internal rule, guidelines, protocol or similar criterion relied on in making the adverse determination (or a statement that such information will be provided free of charge upon request);

- a statement describing your right to bring a lawsuit if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination; and
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your State insurance regulatory agency".

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

**Addendum to the "Additional Summary Plan Description Information"
included with your certificate of coverage or summary of benefits
and effective for claims filed on or after April 1, 2018.**

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

If you live in a county with a significant population of non-English speaking persons, the plan will provide, in the non-English language(s), a statement of how to access oral and written language services in those languages.

For any adverse benefit determination, you will be provided with an explanation of the basis for disagreeing or not following the views of: (1) health care professionals who have treated you or vocational professionals who have evaluated you; (2) the advice of medical or vocational professionals obtained on behalf of the plan; and (3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.

For any adverse benefit determination, you will be given either the specific internal rules, guidelines, protocols, standards or other similar criteria of the plan relied upon in making that decision, or a statement that such rules, etc. do not exist.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

If an adverse benefit determination is upheld on appeal, you will be given notice of any applicable contractual limitations period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

NOTICE OF PROTECTION PROVIDED BY MISSOURI LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a **brief summary** of the Missouri Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Missouri law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Missouri law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are as follows:

- Life Insurance
 - \$300,000 in death benefits
 - \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - \$500,000 in hospital, medical and surgical insurance benefits
 - \$300,000 in disability insurance benefits
 - \$300,000 in long-term care insurance benefits
 - \$100,000 in other types of health insurance benefits
- Annuities
 - \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is as follows:

- \$300,000 in aggregate for all types of coverage listed above, with the exception of basic hospital, medical, and surgical insurance or major medical insurance
- \$500,000 in aggregate for basic hospital, medical, and surgical insurance or major medical insurance
- \$5,000,000 to one policy owner of multiple nongroup policies of life insurance, whether the policy owner is an individual, firm, corporation, or other person, and whether the persons insured are officers, managers, employees, or other persons

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Missouri law.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.mo-iga.org, or contact:
