NETWORK ACCESS EXCEPTIONS

We work hard to make sure that you have access to thousands of eye doctors across the nation. Whether it's due to location or provider availability, you may need to go out-of-network to receive care.

If this applies to you, complete the following form. If not, skip this section.

Based from your home or office location, you have the right to obtain in-network level of benefits with an out-of-network provider when: (i) you cannot schedule a visit within two-weeks, (ii) you are unable to locate a participating provider within a 10-mile radius in an **urban-suburban** area, or (iii) you are unable to locate a participating provider within a 20-mile radius in a **rural area**. You must submit a claim form to EyeMed for reimbursement.

Caution, this option is not available when you choose to use an out-of-network provider due to (i) your preference, (ii) when your personal schedule does not permit you to schedule an appointment with an available provider in two-weeks, (iii) or you are outside of your home or office location. Any person who, with intent to defraud or knowing that he or she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud.

Check the boxes that apply. I acknowledge that I fit into one or more of the following criteria:

I was unable to schedule a visit within two-weeks with a participating provider.

Please provide the participating provider's name, location and contact information in which you attempted to schedule an appointment:

Provider's name: _____ Location: _____

Telephone number: _____

I was unable to locate a participating provider within a 10-mile radius in an **urban-suburban area**.

Please provide the zip code in which you were attempting to locate a provider: Zip code:

Or

I was unable to locate a participating provider within a 20-mile radius in a **rural area**.

Please provide the zip code in which you were attempting to locate a provider: Zip code:

Should you fail to provide the requested information associated with the criteria you selected above, you agree that we can process your claim as an out-of-network claim.
