Availability of Summary Health Information

As an employee of University of Missouri System, the health benefits available to you represent a significant component of your compensation package. They also provide important protection for you and your family in the case of illness or injury.

Your plan offers a series of health coverage options. Choosing a health coverage option is an important decision. To help you make an informed choice, your plan makes available a Summary of Benefits and Coverage (SBC), which summarizes important information about any health coverage option in a standard format, to help you compare across options.

The SBC, along with a uniform glossary of terms commonly used in health care coverage, is available on the web at: http://umurl.us/SBC. Paper copies are also available, free of charge, by calling the HR Service Center at 1-800-488-5288.
