Tuition benefits for employees, spouses, and dependents

Educational Assistance for Employees
Effective March 1, 2020, pursuant to CRR 230.070 (HR-303), employees who are experiencing a payroll reduction measure may continue eligibility for Educational Assistance. Employees who separate from the University may also complete the semester in which they are enrolled. Employees who have separated from the university are not eligible for educational assistance in future semesters.

Tuition Reduction for Spouses and Dependents
Spouses and dependents who are receiving tuition reduction will remain eligible for the benefit during any payroll reduction measure.
Retirement Plans

Core Retirement Plans

**Defined Benefits (DB Plan or DB portion of Hybrid Plan):**
If you participated in the Defined Benefit (DB) Plan or Hybrid Plan as your core retirement plan, your contributions to the defined benefit portion of the plans are not required during an unpaid leave of absence.

**Defined Contribution Benefits (Hybrid Plan or DC Plan):**
Employee contributions to defined contribution plans work in the same way as contributions to Voluntary Retirement Plans. Your defined contribution retirement accounts will remain in place.

**Earning Service Credit**
Furloughs count toward credible service up to 30 calendar days, whether the employee is paid or unpaid during the furlough. If the leave extends beyond 30 calendar days, the days over and above would not be creditable service. For more details related to the retirement plan, please contact your HR campus Benefit/Retirement Specialist or the HR Service Center.

**Voluntary Retirement Plans (VRPs)**
VRPs include the 403(b) pretax, 403(b) irrevocable, 403(b) Roth after-tax, 457(b) pre-tax and 401(a) Supplemental Retirement Plan. During your leave of absence, your VRPs will remain in place with deductions occurring if in paid status.

For a cash distribution or rollover, contact the VRP administrator¹ to obtain the appropriate forms.

**Retirement in Lieu of or During a Payroll Reduction Measure**

**Defined Benefit Retirement (DB Plan or Hybrid Plan)**
Retirement eligible employees may elect to end their leave early to retire. An election to retire in lieu must be made in writing and submitted to the HR campus Benefit/Retirement Specialist. For more details related to the retirement plan, please contact your HR campus Benefit/Retirement Specialist or the HR Service Center.
